

BARTLE HALL

Important Notes:

The image is not representative of scale and distance of the actual viewpoint and is being used for **illustrative purposes only**.
This is the scheme at year 5 of the opening of the scheme.
The new planting is a light colour and the existing planting a much darker green.

LEA ENDOWED SCHOOL

Important Notes:

The image is not representative of scale and distance of the actual viewpoint and is being used for **illustrative purposes only**.
This is the scheme at year 5 of the opening of the scheme.
The new planting is a light colour and the existing planting a much darker green.
