

Summer born children - Deferring or delaying school entry

Background

The Department for Education has produced guidance '*Advice on the Admission of Summer Born Children (December 2014)*'. The guidance is non-statutory and has been produced to help local authorities, admission authorities and parents understand the framework within which admission authorities must operate, and to dispel some of the myths that appear to have arisen around the admission of summer born children.

It should be read in conjunction with the statutory document, the Department for Education, 'School Admissions Code, which was published in December 2014'.

The Schools Minister, Nick Gibb wrote an open letter in September 2015 which referred to government plans to amend the School Admissions Code so that all summer born children can begin school after their fifth birthday and be placed into a reception class. As yet there has not been a consultation on the legislative changes that would be needed to amend the School Admissions Code. Lancashire County Council is therefore still adhering to the statutory requirements of the December 2014 Code.

When will my child reach statutory school age?

Children must be receiving full-time education by the start of the term following their fifth birthday.

- For children born between 1 September and 31 December, they reach compulsory school age on 31 December and must be receiving full-time education at the start of the spring term (i.e. after the Christmas holidays, in January).
- For children born between 1 January and 31 March, they reach compulsory school age on 31 March and must be receiving full-time education by the start of the summer term (i.e. after the Easter holidays, in March or April).
- For children born between 1 April and 31 August, they reach compulsory school age on 31 August and must be receiving full-time education at the start of the new school year (i.e. after the summer holidays, in September).

Delayed admission to Reception

In Lancashire, we provide for the admission of all children in the September following their fourth birthday. Parents of non-compulsory school age children (four year olds) may request a pattern of part-time attendance or deferment if that best suits the needs of their child. Parents will be offered the opportunity for their child to:

- Start Year R (Reception) in September on a full-time basis from their first day of attendance or on a part-time basis up to the point of reaching compulsory school age.
- Defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the summer term of the school year for which the offer of the school place was made.

Deferred admission to Reception

Parents who are considering deferring their child's entry to school should be aware that teachers are skilled in differentiating the curriculum to meet a diverse range of needs. Parents are encouraged to visit the schools they are thinking of applying for, where staff will be able to explain the provision on offer to children in Reception class, how it is tailored to meet the needs of individual pupils and how the needs of each pupil will continue to be met as they move up through school.

Where a parent wishes to defer their child's admission until the following school year, parents are encouraged to make requests to defer in good time before the closing date for the normal admission round. Parents will need to provide the detailed reasons to enable their request to be given proper consideration and are encouraged to include any supporting evidence from relevant professionals. Please complete the County Council's application form:

- [Application for a Lancashire school place for summer born children.](#)

Parents submitting a request for admission out of the normal age group are required to also make an application for a place in their child's normal age group at the same time. If the application to defer is made by the national closing date for applications the admission authority will ensure that the parent receives the response to their request before the primary school national offer day.

All summer born requests for deferred admission will be considered by the individual admissions authority of each preferred school. Where requests are made for differing admission authorities, the request must be sent to the local authority that will co-ordinate the request and the decisions made. If a joint agreement cannot be reached then the decision to defer admission will only stand for any named school that agreed the request.

When considering a request for deferred admission for a community or voluntary controlled school the following factors will be considered:

- any delayed social, emotional or physical development which may be affecting the child's readiness for school (supported by a relevant professional);
- premature birth and the fact that the child may have naturally fallen into a lower age group if they had been born on their expected date of birth;
- any medical incapacity, if this has prevented access to early years provision.
- any significant learning or special educational needs (supported by a relevant professional);
- the views of the head teacher of the preferred school (s)

It will not be sufficient for the parent to provide personal views and opinions and /or to refer to national research. The request should demonstrate why it would be in a child's interest to be admitted to reception following their fifth birthday, rather than year one.

Making a decision in the child's best interests

The Local Authority will share information provided on the application form with the admission authorities and head teachers of the school(s) parents have expressed a preference for. They will not however be informed of the order of preferences. These admission authorities and head teachers will then come to a decision as to whether they support the request for deferred entry. The final decision will be for the admission authority to make.

The Local Authority will then write to parent/carers to confirm the result of these decisions.

If the request to defer admission is approved, the application for the normal age group can be withdrawn. A new application will need to be submitted the following autumn as part of the main admission round for the following year.

If the request to defer admission is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday.

Places are not held open for children who defer entry, so parent/carers must then reapply for a school place the following year for a place in Reception alongside children who are one school year younger.

Additional factors for consideration

Parents/carers should be aware that as the number of applications and preferences, and even the number of available places, may differ from year to year, that a deferral does not mean a place at the same school can be allocated one year later or provide any additional priority for a place.

Once a child has been admitted to a school it is for the head teacher to decide how best to educate them. The head teacher may consider that it would be appropriate for a child who has been admitted out of their normal age group to be moved to their normal age group. Any decision to move a child to a different age group would be based on educational reasons and in consultation with the parents.

For any child not being educated in the year group in which their chronological age falls there may be complications if a change of school is required or a move to another local authority. It will be for the admission authority of any receiving school to decide whether to admit the child out of their normal age group. This also applies at the time of transfer from primary to secondary school.

Any child who remains a year below their chronological age group will no longer be of compulsory school age during Year 11 of secondary school and therefore will be able to leave school before completing examinations.

There is no formal right to appeal a decision made by the admission authority. However, for schools where the LA is admission authority, a parent may request a review of the decision made.
