Lancashire County Council Children & Young People's Public Health — Child Health Profiles 2017

Public Health, assisted by Business Intelligence within Lancashire County Council have created 34 middle level (MSOA* cluster) Child Health Profiles (CHPs). This is because the CHPs on the Public Health England website are only at upper tier level. This does not show the outcome data at sub-district level but just an overview of children and young people's health across the whole of County. These lower level profiles highlight where children's health needs are the greatest and opportunities to reduce inequalities are

greatest.

HYNDBURN WEST

There are 11 primary schools and 1 secondary school in Hyndburn West. There is 1 special school.

There are 2 GP practices.

26% of reception class (ranked 3rd of 34 CHPs where 34 = best) and 31% of year 6 (15th) are overweight.

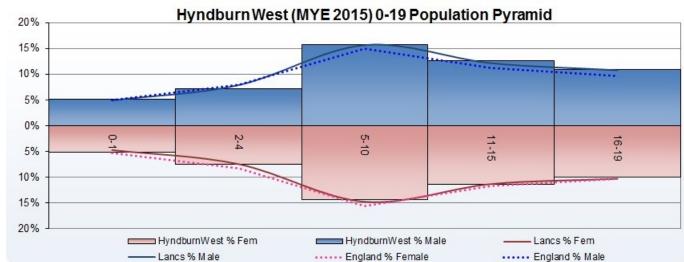

3.5 per 1000 children who live in Hyndburn West are killed or seriously injured on Lancashire's roads (4th).

There is a high rate of emergency hospital admissions for 0-4 year olds in Hyndburn West with 286 admissions per 1000 0-4 year olds (6th).

The 'best' indicator for Hyndburn West is the proportion of young people not in education employment or training (NEET) with just 2% not in education etc. (25th).

The number of looked after children living in this area is also low compared to other areas of Lancashire

Age Band	Female	Male	HyndburnWest % Fem	HyndburnWest % Male	Lancs % Fem	Lancs % Male
