## Your home

Olive House is a purpose built two storey home for older people located in Bacup, situated in the Rossendale Valley, which is one of the best preserved cotton towns in England.

Olive House is one of 16 care homes managed by Lancashire County Council and offers quality, safe, comfortable care and support for up to 44 people across four homely separate areas.

We offer friendly, compassionate, person centred support to people living with dementia who choose Olive house as their home. We also welcome older people for Residential care, short term respite stays and admissions for people who need intermediate care services to support their rehabilitation.

We provide a range of facilities including nicely furnished lounges and dining areas with kitchen spaces. People who choose Olive House as their home are welcome to personalise their bedrooms to their own taste with comfy furniture, televisions or belongings that will make their room feel like home.

There are ample bathrooms, showers and toilet facilities, some bedrooms have en-suite whilst the others have washbasins.

The accredited dining experience at Olive House offers fresh, locally sourced ingredients expertly prepared to produce a wide choice of delicious meals. Alternative options are always available.

Drinks and snacks are accessible for people who live in the home and their visitors to enjoy throughout the day. Sample menus are available if you would like to view them.

On sunny days Olive House has an enclosed accessible, lovely well-maintained garden space. There is a decking area offering seating with flower beds and grassy areas to the side of the home for everyone to enjoy the fresh air. Those wanting to go a little further can visit the attractive Stubblylee Park. When the weather is not so fine, we have a conservatory to relax or enjoy various activities.
