

**New Street, Mawdesley**  
**Statement of Reasons**

The purpose of the proposed New Zebra Crossing is to improve the safety of motorised and non-motorised users, to provide a clearly defined safe crossing area for pedestrians. This is located on a straight section of road to enable clear visibility and sightlines for drivers and pedestrians to make them aware of on-coming traffic/pedestrians wishing to cross in good time.

The proposals form part of a s278 Agreement under the Highways Act 1980 as part of a new housing development off Gorsey Lane which will increase traffic and pedestrian movements along New Street
