

## **Statement of Reasons Main Road Galgate 30mph Extension**

The proposals are being pursued as part of a **s278** Agreement under the Highways Act 1980 as part of a new development which will introduce further traffic movements.

A new access is to be constructed onto Main Road Galgate. In order to reduce the speed of vehicles approaching the new junction the 30mph speed limit location requires relocating northwards.

The purpose of this proposed order is to reduce the 50mph speed limit along Main Road reverting the section of road around the new access to 30mph by virtue of street lighting.

These proposals are being funded by Section s278 monies deposited by the developer and linked to the adjacent housing development.
