# Pendleside LINKS

## Changes to the timetable since the last edition.

This new network of Pendleside bus Services 64/65/66/67 restores rural village links and improves frequencies across the Ribble Valley, Burnley and Pendle. They replace the existing Services 7/7A, which served villages between Clitheroe and Nelson and Service 8 Nelson – Carr Hall circular. A number of benefits include:

Improved service for Sabden, restoring the direct link to Burnley.

Improved frequency between Clitheroe, Barley and Nelson, whilst restoring services for Newchurch and Spensbrook.

Improved frequency between Fence and Nelson.

New route serving Burnley Sycamore Avenue linking through to the Health Centre at Rosegrove.

Boomerang Travel Ltd operate this new Pendleside Links network of services on behalf of Lancashire County Council.

Working for passengers

If you have a problem on a bus journey, please let the bus company know first. If you don't feel they have resolved it to your satisfaction, Bus Users UK, an independent organisation that represents bus passengers, may be able to help.

Email, telephone or write to them giving them as much detail as you can. They will take things further for you. If they can't resolve it, they are partners in the Bus Appeals Body who will issue a decision about your difficulty.
