Grid Reference	Point on Attached Map	Type of Gate

Please explain the reason for the need of the gate(s) including type of stock and whether the gate is to prevent ingress/egress/both and to/from where:

.....
.....
.....

Are you the *Owner/Occupier/Tenant of the land crossed by the public paths

> * please delete as applicable

Are any other persons private rights affected?

If yes please give details

.....
.....
.....

I agree to the following conditions:

- a) The gate(s) will be maintained by the owner of the land in a condition that is convenient for use by members of the public on foot, pedal cycle or horse in accordance with section 146 of the Highways Act 1980.
- b) The gate can be opened to leave a gap of at least 5 feet (152 cm)
- c) The gate(s) will be removed by the owner if the reason for the authorisation ceases to be applicable (or secured open if the reason for the authorisation temporarily ceases to be applicable)
- d) No barbed wire or chain/padlock will be attached to any part of the gate(s)
- e) Lancashire County Council retain a right to affix waymark arrows and/or advisory signs to the gate and/or posts
- f) Only one latch, loop or other closing device will be attached to the gate(s) and will be openable from the saddle
- g) The surface of the public right of way through the gate(s) will be maintained by the owner such that it is at least as good as the approaches to the gate(s).
- h) The top of the gate(s) will be no more than 1 metre from the ground
- i) The gate will conform to BS5709:2018
- j) Specify further conditions if required, otherwise delete this line

I confirm that the purpose of these gate(s) is to prevent the ingress or egress of animals on land which is used, or being brought into use, for agriculture, forestry or horses.

> * please delete as applicable
