Determined Admission Criteria and
Notes for Applicants
2020-21

Vision: 'A Journey to Excellence'

We believe that each child is made in the image and likeness of God therefore we develop the 'whole child' to reach their individual potential. We have high expectations and celebrate success both academically and socially. We aim to provide an outstanding Catholic education so that we can make a valuable contribution to the community in which live and serve.

Mission statement:

'We are happy living and learning in God's Friendship'

St Mary's R.C. Primary School
GOVERNORS' ADMISSION POLICY
2020/2021

St. Mary's is a Catholic School in the trusteeship of the Diocese of Salford. It is maintained by Lancashire Local Authority and is a voluntary aided School. The Governing Board is the Admissions Authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the Local Authority.

For the school's year commencing September 2020, the Governing Body has determined that the number of children to be admitted to Reception will be 30.

The school's role is to participate in the mission of the Catholic Church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the Good News and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the Governing Board. Parents must complete a Local Authority Preference Form or apply online via the website <https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/apply-for-a-primary-school-place/>. If you wish to have your application considered against the school's religious criteria then you must **ALSO** complete the Supplementary Form which is available from the school.

If there are fewer than 30 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Looked After Children and previously Looked After Children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school;*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the former parish of St. Mary's Bacup.
5. Other children who have a sibling in the school at the time of admission.
6. Other Baptised Catholic Children.
7. Children eligible for the early years pupil premium, pupil premium or service pupil premium who attends Mary's Nursery school.
8. All remaining applicants.

*Exceptional needs of this kind will occur very rarely. It is strongly recommended that a written application is submitted in advance of the normal admissions timetable.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school. This is measured by taking the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be

used as the final determining factor. This address point is within the body of the property and usually located at its centre. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Notes for Applicants:

- a. All applications will be considered at the same time and after the closing date for admissions which is 15 January 2020. Applications received after this date will be **treated as a late application** and will not be considered until **after** the main allocation of places has taken place.
- b. A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989. A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
- c. For a child to be considered as a Catholic evidence of a Catholic Baptism or reception into the Catholic Church is required. Written evidence of reception into the Catholic Church can be obtained by referring to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the Church in which the Rite of Reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic Church through the RCIA programme, the child must also be admitted to the Church by the Rite of Reception.

The Governing Board will require written evidence in the form of a Certificate of Reception before applications for school places can be considered for categories of 'Baptised Catholics'. A Certificate of Reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the appropriate diocesan authority will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

- d. Home Address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.
- e. 'Sibling' is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

- f. A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. The waiting list does not consider the date the application was received or the length of time a child's name has been on the waiting list. This means that a child's position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria. This will be kept for one calendar year.
- g. For 'In Year' applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied.
- h. Admission of children outside of their normal age group:

Parents may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child^[1] may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Admission Authorities must make clear in their admission arrangements the process for requesting admission out of the normal age group.

Admission authorities must make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned. When informing a parent of their decision on the year group the child should be admitted to, the admission authority must set out clearly the reasons for their decision.

Where an admission authority agrees to a parents' request for their child to be admitted out of their normal age group and. As a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority must process the application as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of their determined admission arrangements only, including the application oversubscription criteria where applicable. They must not give the application lower priority on the basis that the child is being admitted out of their normal age group. Parents have a statutory right to appeal against refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

- i. Deferred admission/part time provision:

If your child is due to start school during the next academic year, it is important that you apply for a place for September. If your child's fifth birthday is between the months of September and December, then, if you wish it, admission may be deferred until January; if it is between January and April, then admission may be deferred until the start of the summer term though it is likely to be in your child's interest to start no later than January. You may also request that your child attend school part time until he/she reaches his/her fifth birthday.

- j. If an application for admission has been turned down by the Governing Board, parents may appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on the Governors.
- k. The Governing Body reserve the right to withdraw the offer of a school place where false evidence is received in relation to the application.
- l. It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The Governing Board may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are Looked After/previously Looked After Children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.
- m. Parents may ask to defer accessing an offered place with a child's reception year until the first day of term after a fifth birthday. If the child's fifth birthday is between April and August then they can start school the following September. The expectation would be that parents have decided that the child will miss the full reception year and the child would take up their place from Year 1. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the headteacher.
- n. Parents may request that their child attend school part-time until he/she reaches his/her fifth birthday.
