

SIR JOHN
THURSBY

COMMUNITY
COLLEGE

Determined Admissions Policy

Dated: For the academic year 2020/2021
Date ratified by Governors: 05/09/2018
To be reviewed: Annually
Person responsible: Mr R.Browning

UNICEF Rights Respecting School Award

As a UNICEF Rights Respecting School we aim to teach our students that they have rights under the UN Convention on the Rights of the Child.

By putting the UN Convention on the Rights of the Child at the heart of our college's ethos and culture we seek to improve well-being and develop every student's talents and abilities to their full potential.

Safeguarding and Child Protection is integral to all we do. In all that we do we ensure every child who is a registered pupil at our school is safe and protected from harm.

This means we will always work to:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children at our school to have the best outcomes.

The college works in liaison with Lancashire County Council Admissions Team. Parents/carers seeking a place at the college should, in the first instance, contact the Admissions Team.

Our admission number for the academic year 2020 to 2021 will be 225.

If the college is oversubscribed then the following admission criteria will be applied to decide which children should be offered the available places. The criteria below are in priority order:

- (a) All looked after children and previously looked after children must be considered/offered a place at the time when preferences are expressed (see note (viii) below); then
- (b) Children for whom the Governors accept there are exceptionally strong medical, social or welfare reasons for admission, which are directly relevant to the college (see note (i) below); then
- (c) Children living within the college's geographical priority area with older brothers and sisters in attendance at the college at the time of transfer (see note (ii) below); then
- (d) Children living within the college's geographical priority area; then
- (e) Children living outside of the college's geographical priority area with older brothers and sisters in attendance at the college at the time of transfer (see note (iii) below); then
- (f) Children living outside of the college's geographical priority area (see note (iii) below).

Notes

- (i) The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children without a statement who have special needs. Children who have a statement for special needs will have their applications considered separately.
- (ii) Brothers and sisters includes step children, half brothers and sisters, fostered and adopted children living with the same family at the same address (consideration may be given to applying this criterion to full brothers and sisters who reside at different addresses). The priority does not apply to siblings whose brothers and sisters transferred into a sixth form at 16⁺.
- (iii) Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the college and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).
- (iv) Children will not normally be able to start at the college other than at the beginning of a term, unless they have moved into the area, or there are exceptional circumstances.

- (v) The Local Authority will keep waiting lists for all Lancashire schools until 31 August 2020. These are kept in priority order using the college's published admission criteria. From 1 September 2020 for one school term only waiting lists will be retained by individual admission authorities.
- (vi) Applications for college places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.
- (vii) Where a child lives with one parent/carer for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.
- (viii) The highest priority **must** be given to looked after children^[1] and children who were looked after, but ceased to be so because they were adopted^[2] (or became subject to a residence order^[3] or special guardianship order^[4]). Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after.
- (ix) Dates and details of applications can be obtained from Lancashire County Council.

The Geographical Priority Area for Sir John Thursby Community College

The northern perimeter of the priority area will commence at the M65 and follow the Burnley/Pendle border eastward continuing down the border with Calderdale to Thursden Brook.

The perimeter will then follow the centre of Thursden Brook westwards continuing along the course of the River Don and crossing Netherwood Road to briefly follow the River Brun to the Leeds and Liverpool Canal. The perimeter then follows the centre of the Leeds and Liverpool Canal to the intersection with the railway line until adjacent to the two schools just above March Street and then turns west to the M65. It then follows the M65 up to the border with Pendle.

This area will include North Stoneyholme, Daneshouse, Burnley Lane, Heasandford, Queensgate and Briercliffe.

^[1] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

^[2] Under the terms of the Adoption and Children Act 2002. See section 46 (adoption orders).

^[3] Under the terms of the Children Act 1989. See section 8 which defines a 'residence order' as an order settling the arrangements to be made as to the person with whom the child is to live.

^[4] See section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Transport

Students living in the areas listed at the bottom of this paragraph will be entitled to travelling expenses to this college provided they reside three miles or more from the college, measured by the shortest walking route. If you are in doubt over the distance between your home and college please check with the Area Education Office:

- Briercliffe, parts of Burnley, parts of Stoneyholme.

Admission Times

Students new to the area will be admitted during term time at the earliest convenience. Students moving from other colleges within the Burnley Learning Partnership will be admitted at the beginning of the new academic term.
