This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation, Free Schools and Academy Primary Schools in the Preston, South Ribble, West Lancashire and Chorley areas.

The policy for admission to Community and Voluntary Controlled Schools is listed below.

For Voluntary Aided, Foundation, Free Schools and Academies, a **summary** of the admission policy is provided in this booklet under the entry for each school. *Some of these schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.*

These criteria will only be applied if the number of applicants exceeds the published admission number. A **full** version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

You are advised to contact Primary Schools direct if you require full details of their admissions policies.

Where the school has a nursery class, the number of nursery pupils is **in addition to** the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE.

Admission Criteria for Community & Voluntary Controlled Schools

When a school is oversubscribed on parental preferences, then the following priorities apply in order:

- 1. Looked after children and those who have been previously looked after, then**
- 2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then**
- 3. Children with older brothers and sisters attending the school when the younger child will start, then**
- 4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.**

The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. twins or same block of flats) places will be offered via a random draw.

The distance measure is a straight line (radial) measure centre of building to centre of building.

How do infant school to junior school transfers work (Year 2 to Year 3)?

In Lancashire there are 5 infant and 5 junior primary schools. These are separate establishments but are closely linked.

These are:-

- Ribbleton Avenue Infants and Ribbleton Avenue Juniors (Preston)
- Leyland Methodist Infants and Leyland Methodist Juniors (South Ribble)
- Leyland St Andrew's CE Infants and Woodlea Juniors (South Ribble)
- Rosegrove Infants and Lowerhouse Juniors (Burnley)
- Whitefield Infants and Lomeshaye Juniors (Pendle)

If the junior school is able to admit all Year 3 applicants then this will be arranged locally and will automatically happen each September. If however there are more applicants for Year 3 than available places (and anybody may apply for a Year 3 place – including new to area families); then a formal admission round will take place using the determined admission criteria (see above).

For these pairs of schools the sibling criterion will be applied across the full age range – reception to Year 5 for reception and Year 3 admissions and reception to Year 6 for in year requests.

This will measure distance from home to school, centre of the building to the centre of building.

If the distance between the children's homes and the school is the same, which includes the same geographical property reference (such as a block of flats), then random allocation will be used as a tie-breaker. The random allocation process will be undertaken by Lancashire County Council's School Admissions Team at the Council Offices in the presence of a school representative.

The Governors have agreed upon the following criteria for admission to the school, in order of priority, in the event that there are more applicants than places.

1. Children in public care and previously looked after children.
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school.
3. As the school is a Church of England foundation, preference will be given to children whose parents are committed church members and are regularly involved with the life and work of Christ the Servant Church. A letter of support may be required.*
4. Brothers and sisters already attending Bishop Martin C of E Primary School and who will still be in school at the time of admission.
5. Children of parents who are regularly involved with the life and work of another Church of England parish. A letter of support from their church may be required. *
6. Children of parents not of the Anglican faith who are genuinely seeking Christian education. A letter of support will be required from their church.
7. Distance from home to school.

*** Note:** Criteria 3 & 5 - Parental involvement is normally taken to mean a minimum of monthly attendance at church and active involvement in church activities.

Where necessary to decide between applicants of otherwise equal priority, either within or following the application criteria, then the distance from home to school will be used. This means that priority will be given to applicants living closest to the school using the shortest walking distance i.e. from the child's home front door to the main school gates in Birkrig by the safest walking route. In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Where applications for admission exceed the number of places available, the School Governing Body will apply the following criteria in the order set out below, to decide which children to admit:

- a) A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.
- b) Where the applicant is considered a sibling of a child enrolled at the School at the time of the application (sibling, half sibling, adopted sibling or foster sibling, as long as they are living with the same family at the same permanent address).
- c) Children of any staff permanently employed at in either or both of the following circumstances:
 - i) Where the member of staff has been employed at the School for two or more years at the time at which the application for admission to the school is made, and/or
 - ii) The member of staff is recruited to fill a vacant post in the School for which there is demonstrable skill shortage for the requirements of the post.
- d) Where having applied the above criteria and allocated places to the children satisfying those criteria there remain places available, 50% (rounded up) of the places remaining will be allocated in order of proximity of the child's permanent address to the School's address, with the most proximate first. The measurement used will be the same as the Local Authority (Lancashire) uses for its Community Schools, viz a straight line (radial) measure from the centre of the pupil's home to the centre of the school building where the relevant year-group to which the child is being admitted is usually taught,. The remaining 50% of places (rounded down) will be allocated by a random draw.

Note:

1. The distance and random draw allocation measures in d) will be used as a tie-breaker for earlier criteria should any of those criteria be oversubscribed.

The parent must meet the normal religious obligations of the faith. The governors will request confirmation of this from the relevant member of the clergy or worship leader.

6. Children of staff who have been employed in the school for the whole of the two years prior to the closing date for applications, or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

This applies to all staff, full and part time, who are employed by the governing body.

7. Other children.

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September. These will on occasion increase where strategic place planning issues allow and / or where decisions can be implemented in time for the effective co-ordination of the admission process.

If you require further information about a Community or Voluntary Controlled School, for example, after-school clubs or extra-curricular activities, please contact the school direct.

1. Looked after children and previously looked after children.
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school. Professional supporting evidence from, eg a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
3. Residence in the Shaws' area of Rivington, Anderton, Heath Charnock and Anglezarke. 3 points
4. Having a sibling in the school. 2 points
5. Other children by distance. 1 point

In the event that children have the same number of points, in an oversubscribed situation, then children living in the Shaws area would be given first preference then a decision will be made by reference to the shortest distance between home and school. Rivington is not served by a bus service and in general children attending the school cannot walk to school. The Governors refer to the shortest distance between the centre of the child's home and the centre of school, travelling using public highways. In the event of a tied distance, measurement between address points on the Local Authority's system will determine which family receives the offer.

SUMMARY OF POLICY ▼ This is a Voluntary Aided school – please contact the school for full admission details. To apply for a place at this school, please apply online at www.lancashire.gov.uk/schools and use the supplementary information form available from the school.

Where the number of applications exceeds the number of places available the Governing Body will apply the following oversubscription criteria:

1. Looked after children and previously looked after children.
2. Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the parish of St Oswald's Coppull.
4. Other baptised Catholic children.

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Definitions for Voluntary Aided & Foundation Schools & Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

DISTANCE

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance.

PARENTS / FAMILY MEMBERS

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

LOOKED AFTER CHILDREN AND PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4) .

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

The arrangements for the transfer of pupils to secondary schools in September 2020 will, as far as possible, conform to the following timetable.

Monday 2 September 2019	Apply from this date at www.lancashire.gov.uk/schools (Please remember to press the 'submit' button every time you leave the online system)
Wednesday 15 January 2020	National closing date for primary applications (statutory).
During this period all applications are processed and all preferences are considered against the published admissions policy. Where there are more applications than places available, decisions are made as to which children should be offered the available places. We will liaise and exchange information with all other admission authorities including neighbouring local authorities. The allocation and offer of a primary school place is finalised.	
Thursday 16 April 2020	Offers issued to parents*
Friday 24 April 2020	Deadline for requesting: <ul style="list-style-type: none"> • an appeal • a place on the reserve (waiting) list(s)
W/C 4 May 2020	Distribute appeal forms to parents
Friday 15 May 2020	Appeal deadline** 1 st round of hearings.
By Friday 10 July 2020	Appeals submitted by the deadline heard by an independent appeal panel

* If you are not happy with an initial offer the appeals period starts from your receipt of the offer. Appeal information will be issued later as this allows some time for reserve lists to operate.

**Appeals which we receive after the deadline will be slotted into the schedule where possible. We cannot guarantee this however, and late appeals may have to be heard after the agreed date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venue, etc.

The closing date for applications is Wednesday 15 January 2020.

Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

To be eligible you must be receiving one of the benefits listed below:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of state pension Credit
- Income Support
- Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work

If you are receiving one of the above benefits, please ring the Area Education Office on 01772 532109. They can do an immediate online check for you.

We only require your name, date of birth and national insurance number to do this.

Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2020 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2020.

Unfortunately, offer information cannot be given out by phone.
