

DETERMINED ADMISSION ARRANGEMENTS FOR COMMUNITY AND VOLUNTARY CONTROLLED SECONDARY SCHOOLS FOR 2021/22

ALL DISTRICTS

The purpose of the admission arrangements is to ensure that all school places for maintained schools are allocated and offered in an open and fair way. LCC must comply with the School Admissions Code, published by the Department for Education [DfE], which has 'a force of law'. When a school is oversubscribed, ie, it has more applicants than places available, it needs a policy to allocate and offer places in an open and fair way, in line with the School Admissions Code. Listed below is the policy and associated procedures used by Lancashire County Council when allocating places for Community and Voluntary Controlled Schools. The supplementary notes and Geographical Priority Areas [GPA] which form part of the admission arrangements make it clear to parents how and why places are allocated in a fair, clear and objective way.

Towards the end of the report, the admission arrangements for the Community and Voluntary Controlled Sixth Forms are provided :~

SECONDARY

An admission number will be published showing the maximum number of pupils that the school will admit in the Autumn Term 2021. Parents are given the opportunity to express three preferences for a secondary school. Published criteria are used to decide which children should be offered the available places. In secondary schools an equal preference system operates, whereby the three parental preferences are given equal status. Each preference will be considered equally against the admissions criteria.

When a secondary school is oversubscribed the following priorities apply in order:

1. Looked after children and those who have been previously looked after, [including those legally adopted from overseas] (see note (x) below), then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned. (See note (i) below) then
3. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start, (see note iii below).
4. Children living within the school's geographical priority area, then

5. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start (See note (iii) below) then
6. Children living outside the school's Geographical Priority Area (see note (iv) below).

Notes

- (i) The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children **without** a Statement or Education, Health and Care Plan (EHCP) who have special needs.
- (ii) As required by law, all children with a Statement of Special Educational Needs/EHC Plan naming a school will be admitted before the application of the over-subscription criteria. Children who have a Statement of special needs/EHC Plan have their applications considered separately.
- (iii) Brothers and sisters includes full brothers and sisters, step children, half brothers and sisters, fostered and adopted children living with the same family at the same address; and full brothers and sisters living at different addresses. The priority does not apply to siblings whose brothers and sisters transferred into a sixth form at 16+.
- (iv) The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (eg. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line (radial) measure centre of building to centre of building.

Please note that the Local Authority may introduce a new IT measuring system during the admissions round. The radial measurement will continue to be used.

- (v) A child's permanent address is the one where he/she normally lives and sleeps and goes to school from. Proof of residence may be requested at any time throughout the admission process, (including after a child has accessed a school place).
- (vi) The Local Authority will keep waiting lists for all Lancashire primary schools until 31 August 2021. These are kept in priority order using the school's published admission criteria.
- (vii) From 1 September 2021, waiting lists will be transferred to and retained by individual admission authorities (the Local authority for community and voluntary controlled schools and own admission authority schools will each retain their own list). To comply with the School Admissions Code the waiting lists must be retained until at least 31 December 2021.

- (viii) Children will not normally be able to start school other than at the beginning of the term unless they have moved into the area or there are exceptional circumstances.
- (ix) Applications for school places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.

Application forms received after the published closing date, will only be considered at that time if the following conditions apply:

- (a) if the number of preferences received for the school is below the published admission number or:
- (b) there are extenuating circumstances justifying a late application.

These may include:

- (a) parents moving into the County after the closing date;
- (b) parent/carer illness which required hospitalisation for the major part of the period between the publication of the composite prospectus and the closing date for applications.
- (x) Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.
- (xi) the highest priority **must** be given to looked after children and children who were previously looked after, but ceased to be so because they were adopted (or became subject to a residence order, child arrangement orders or special guardianship order). Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders, child arrangement orders or special guardianship orders) immediately following having been looked after. This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

Shared Care Arrangements

When a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.

In the cases where a child lives with parents who have shared responsibility and the child's time is split equally between two homes, the address of the parent who receives child benefit will normally be used. The Local Authority reserves the right to request further proof, in order to establish the home address, as fit the individual circumstances.

Where agreement cannot be reached:~

Where shared care arrangements are in place, and parents/carers of the child submit two separate applications for different schools, the Local Authority requires parents to resolve matters between themselves, taking legal advice if necessary, and inform the Local Authority which application should be processed. The Local Authority will not become involved in private disputes.

The Local Authority has an obligation to process an application that has been submitted and signed by a parent with parental responsibility. We will consider the living arrangements and apply the shared care arrangement rules.

If there are any challenges to which address is to be used as a child's residency, individual admission authorities will be consulted. In cases where parents are separated and both have retained joint responsibility, the application will be accepted from the parent who is in receipt of the child benefit and with whom the child primarily resides.

Where shared care arrangements are in place it may be necessary to establish the permanent home address for the child. In certain circumstances parent/carers will be asked to write to the Local Authority stating the number of days each week the child spends with them. The Local Authority may ask for evidence of which parent/carer was in receipt of child benefit at the point of application. If the parent/carer is not in receipt of child benefit, the Local Authority will ask for proof of benefit award notices; Tax Credit Award Notices and child's registered address with the GP at the point of application. If the child's home address cannot be verified the Local Authority reserves the right to request further documentary evidence to support any claim of permanent home address.

The Local Authority cannot release information or intervene where disputes or disagreements arise between parents in relation to any DETERMINED or submitted application for a school place.

We can only process applications from one address. If your child lives at another address from you or with another parent/carer from Monday to Friday, please provide the Parental Responsibility Order or Residence/Child Arrangements Order for the person the child lives with.

Further evidence can include:~

- *a copy of a court order;*
- *a letter from a solicitor setting out the arrangements;*
- *a joint statutory declaration (prepared by a Commissioner for Oath);*
- *a tax credit award notice (TC602) for current year.*

Moving House

If you are about to move house, please contact the Area Education Office with your new address so that letters which are sent to you do not go astray. If you have already exchanged contracts on a house or have evidence of a confirmed offer of tenancy, you can ask for your child's application to be considered from the new address. It is required that a family does not just own a property, in a particular location, but that they are actually resident in the property. Evidence of your/the child's residency in the new property will be required.

We can't accept a temporary address if you still possess a property that was previously used as a home address.

If you make a permanent house move after applying, but before allocation procedures have been undertaken, you must contact the Area Education Office. You may be able to change your preferences if you are changing address to a more distant property and the allocation will be based on the new address. We normally require two forms of evidence to confirm a house move. It may on occasions be necessary to request additional documentation, depending upon individual circumstances.

Documents accepted to evidence a house move:~

Proof of purchase or tenancy agreement
Evidence of disposal of previous property
Council Tax document, evidencing the end of residency in previous home.
Council Tax document, evidencing the residency within your new home.

Other forms of evidence may also be accepted at the discretion of the County Council to cover individual circumstances.

If you move temporarily during the admissions process you must also discuss the matter with the Area Education Office. Temporary addresses are rarely accepted for admission purposes.

If you are moving to another area of Lancashire, details of schools in the area can be obtained from any Area Education Office. Admission Authorities will check address details and may randomly sample applications.

You must contact the Area Education Office if there are any changes in your child's living arrangements during the application and allocation of places period.

Places offered for Lancashire schools may be subsequently withdrawn where misleading or inaccurate information has been discovered.

Applications from abroad (and other areas of the UK)

It is required that families must be physically resident in Lancashire (or nearby) in order to apply within the annual intake processes. Exceptional circumstances will be considered on request (and will require that individual families provide the necessary evidence for consideration). Exceptions will usually include:

- (a) UK Service Personnel families who can provide evidence of a posting into the area and the date from which this will occur.
- (b) or crown servants returning from overseas to live in that area.

- (c) New to area families purchasing / renting / leasing an address in Lancashire (providing legal evidence of a contract exchange or lease agreement as a minimum) – see notes below.

Where families are planning to return to an address (whether pre owned or not) within Lancashire, and can provide evidence of ownership, it is required that they are physically in residence during the application period in order for applications to be accepted for annual intakes. This means that the child is in residence with parent/ parents at their permanent address. This applies to those returning from living abroad and those returning from periods of employment / secondment abroad. This principle applies also to (b) above. If there are challenges to an LA decision not to accept an application within the agreed arrangements to coordinate then individual admission authorities will be consulted. Note however that admission policies require that a family does not just own a property in a particular location, but that they are actually resident at that property.

Where families relocate or return to an address in Lancashire after a statutory closing date but during the allocation period (ahead of finalisation of offers) then there will be consideration of accepting a late application. Appropriate evidence must be provided of ownership and date of relocation and residence at that address.

Please note that late entry to the annual intake processes will not be possible after the statutory closing dates unless an exception is agreed by the Local Authority and / or the admission authority.

The Authority has a duty to co-ordinate admission arrangements for all Lancashire maintained schools. The Authority will ensure that all Lancashire parents whose children are transferring to reception or Year 7 classes, receive the offer of one secondary or primary school place on the agreed date.
