

**St Wulstan's RC Primary School 11/041**  
**Admission Policy**  
**DETERMINED POLICY 2022/2023**

St. Wulstan's is a Catholic School in the trusteeship of the Diocese of Salford. It is maintained by Lancashire County Council and is a voluntary aided school. The Governing board is the admissions authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the Local Authority.

For the school's year commencing September 2022, the governing board has determined that the number of children to be admitted to St. Wulstan's RC Primary School will be 25.

The school's role is to participate in the mission of the Catholic Church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the Good News and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the governing board. Parents must complete a Local Authority Preference Form or apply online via the website: [www.lancashire.gov.uk/schools](http://www.lancashire.gov.uk/schools) and searched under School Admissions by 15 January 2022.

As required by law all children with an Educational Health Care Plan actually naming St. Wulstan's R.C. Primary will be admitted before the application of the oversubscription criteria. All applicants will be considered at the same time and after the closing date for admissions which is 15 January 2022.

If you wish to have your application considered against the school's religious criteria then you must ALSO complete the supplementary form which is available from the school.

If there are fewer than 25 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Baptised Catholic Looked After Children and Baptised Catholic previously Looked After Children.
2. Baptised Catholic children resident in the parishes of Our Lady and St. Hubert's with St.Wulstan's
3. Other Baptised Catholic Children who have a sibling in the school at the time of admission
4. Looked After Children and previously Looked After Children
5. Other baptised Roman Catholic children
6. Other children who have a sibling in the school at the time of admission
7. All remaining applicants

Where there are more applicants for the available places within any category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Notes for Applicants:

a. All applications will be considered at the same time and after the closing date for admissions which is 15th January 2022 (primary)/31st October 2021 (secondary). Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

b. A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989. A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

c. For a child to be considered as a Catholic evidence of a Catholic Baptism or reception into the Catholic Church is required. Written evidence of reception into the Catholic Church can be obtained by referring to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the Church in which the Rite of Reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic Church through the RCIA programme, the child must also be admitted to the Church by the Rite of Reception.

The governing board will require written evidence in the form of a Certificate of Reception before applications for school places can be considered for categories of 'Baptised Catholics'. A Certificate of Reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the Director of Education or officers of the DDFE will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

d. Home Address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.

e. 'Sibling' is defined in these arrangements as full, half or stepbrothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

f. A waiting list for children who have not been offered a place will be kept and will be ranked according to the admission criteria. The waiting list does not consider the date the application was received or the length of time a child's name has been on the waiting list. This means that a child's position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria. The waiting list is kept until 31<sup>st</sup> December of the relevant year.

g. For 'In Year' applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

h. If an application for admission has been turned down by the Governing Board, parents may appeal to an independent appeals panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

i. The governing board reserve the right to withdraw the offer of a school place where false evidence is received in relation to the application.

j. It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The governing board may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after/previously looked after children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.

k. If a child is a "summer born child", parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the headteacher.

l. Parents may request that their child attend school part-time until he/she reaches his/her fifth birthday.

Admission of children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child<sup>[1]</sup> may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Admission Authorities **must** make clear in their admission arrangements the process for requesting admission out of the normal age group.

Admission authorities **must** make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. *They **must** also take into account the views of the head teacher of the school concerned. When informing a parent of their decision on the year group the child should be admitted to, the admission authority **must** set out clearly the reasons for their decision.*

Where an admission authority agrees to a parents' request for their child to be admitted out of their normal age group and. As a consequence of that decision, the child will be admitted to a relevant age group (ie the age group to which pupils are normally admitted to the school) the local authority and admission authority **must** process the application as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of their determined admission arrangements only, including the application oversubscription criteria where applicable. They **must** not give the application lower priority on the basis that the child is being admitted out of their normal age group. Parents have a statutory right to appeal against refusal of a place at a school for which they have applied. *This right does not apply if they are offered a place at the school but it is not in their preferred age group.*

Appeals should be addressed to:

Clerk to the Governors  
St Wulstan's RC School  
c/o Lancashire County Council,

Accrington,

Tel: 01254 220507

Parents who are considering sending their child to the school may visit the school at any time by prior appointment with the Head teacher. The most convenient time would be after the afternoon session, though arrangements can be made to visit whilst the school is in operation at a mutually convenient time.

#### Non-routine admissions

It sometimes happens that a child needs to change school other than at the 'normal' time; such admissions are known as non-routine or in year admissions. Parents wishing their child to attend St Wulstan's RC School should arrange to visit the school. They will be provided with an application form once they have a definite local address. If there is a place in the appropriate class, then the governors will arrange for the admission to take place. If there is no place, then the admissions committee will consider the application and information about how to appeal against the refusal will be provided. Appeals for children moving into the area will not be considered until there is evidence of a permanent address, e.g. exchange of contracts or tenancy agreement with rent book.

If you wish to visit the school before stating your preferences, please contact us.

Appeals for children moving into the area will not be considered until there is evidence of a permanent address, e.g. exchange of contracts or tenancy agreement with rent book. Please note that you cannot re-apply for a place at a school within the same school year unless there has been relevant, significant and material change in the family circumstances.

---

<sup>[1]</sup> The term summer born children relates to all children born from 1 April to 31 August. These children reach compulsory school age on 31 August following their fifth ( or on their fifth birthday if it falls on 31 August) It is likely that most requests for summer born children admitted out of their normal age group will come from parents of children born in the later summer months or those born prematurely
