

## **STATEMENT OF REASONS**

The proposals are being pursued as part of a s278 Agreement under the Highways Act 1980 as part of a new housing development which will introduce further traffic movements at the junction of Finsley Gate, Parliament Street and Hollingreave Road. The purpose of these proposals is to control traffic speeds and maintain road safety by extending the current 20mph along a small section of Finsley Gate and introducing a Raised junction table at its junction with Parliament Street and Hollingreave Road.
