Infection Prevention & Control Care Champion (IPCCC) Nomination Form

Name of nominated individual:.....

Job role:.....

Place of work:.....

Date:.....

Contact details (email & phone number):

.....

By completing the nominated details above:

- You agree to support the service in ensuring good Infection Prevention and Control (IPC) practices are adopted and maintained in all clinical and non-clinical areas.
- You agree to help create and maintain an environment which will reduce the risk of infection to patients/residents, their relatives, health and social care workers. This will be achieved by using IPC knowledge, communication skills, nursing and teaching skills.
- You agree to support all staff (including trained, non-trained, cleaners/caretakers, activity coordinators, administrative and reception) on matters concerned with IPC and become a role model initiating best practice in IPC issues within their working area.
- You will ensure that staff working within their area are updated in IPC accredited training (recommend annual training), new IPC initiatives and in order to accomplish this they will act as a resource/named person for IPC within their area.
- You will undertake/participate in audits/action plans and disseminate relevant information, audit results and actions to team members, work together with their manager and have regular 1:1 meetings to improve practice where applicable.
- You agree to attend at least **one** IPCCC forum within a 12 month period.
