

## Statement of Reasons

Following the ethos for the OEG project to improve travel connectivity to the nearby Edge Hill University, town centre, bus and railway stations for the non-motorised user segregated cycle lanes are proposed along St Helens Road. Separate independent cycle lanes through the bus station along St Helens Road leading to Ruff Lane will provide a comfortable and safer place to cycle. Its hoped this will give confidence to encourage more users to consider commuting via non-motorised means for either the whole of or part of their intended journey, this will improve health and air quality for the residents of Ormskirk.
