

Weekly update for coronavirus figures in the county

15 September 2021

How is coronavirus affecting people in Lancashire?

This is a weekly bulletin produced by the Lancashire Resilience Forum with the latest figures on the number of coronavirus-related cases and deaths in the county, as well as figures at a unitary and district level.

It also shows how Lancashire compares to other areas of the country.

**Lancashire
Resilience
Forum**

Confirmed cases from positive 'pillar 1 and 2' tests up to 12 September 2021

LANCASHIRE

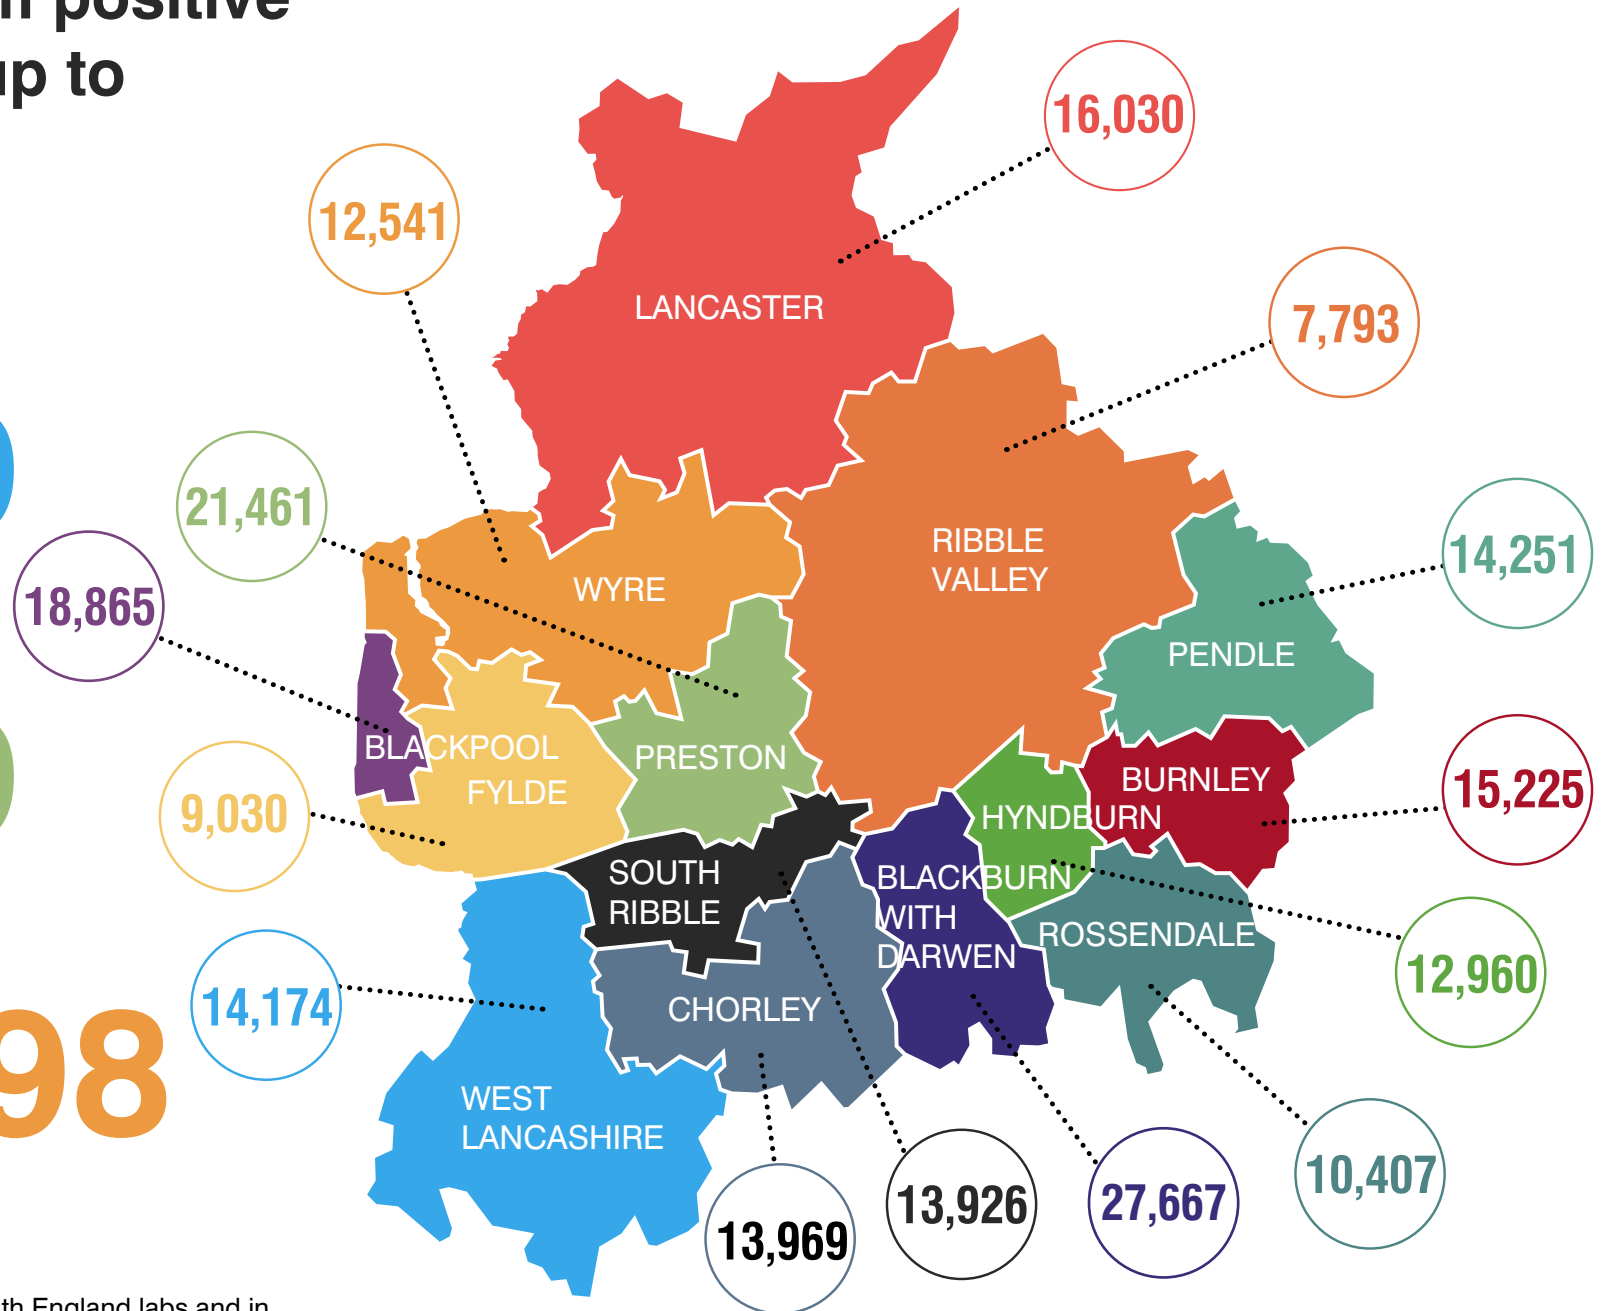

208,299

NORTH WEST

990,479

ENGLAND

6,218,198

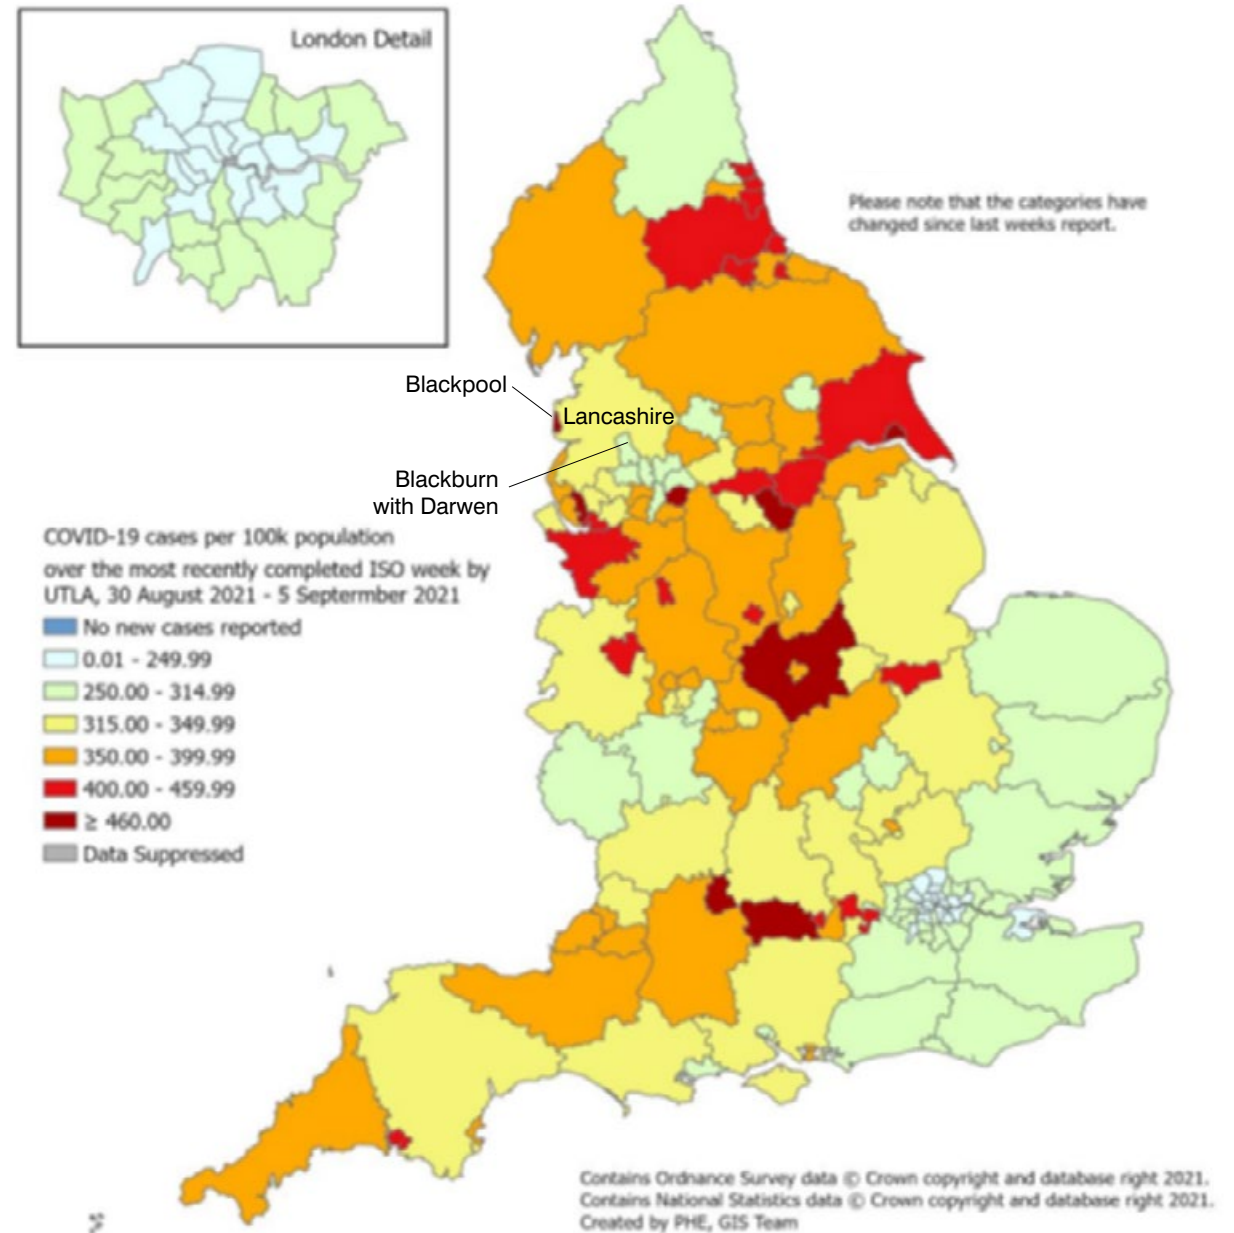

These figures are from tests carried out in Public Health England labs and in the NHS (Pillar 1) and from other testing routes, such as mobile labs (Pillar 2).

Weekly rate of Covid-19 cases per 100,000 population tested under pillar 1 and pillar 2 (Week 35 - data between 30 August and 5 September 2021).

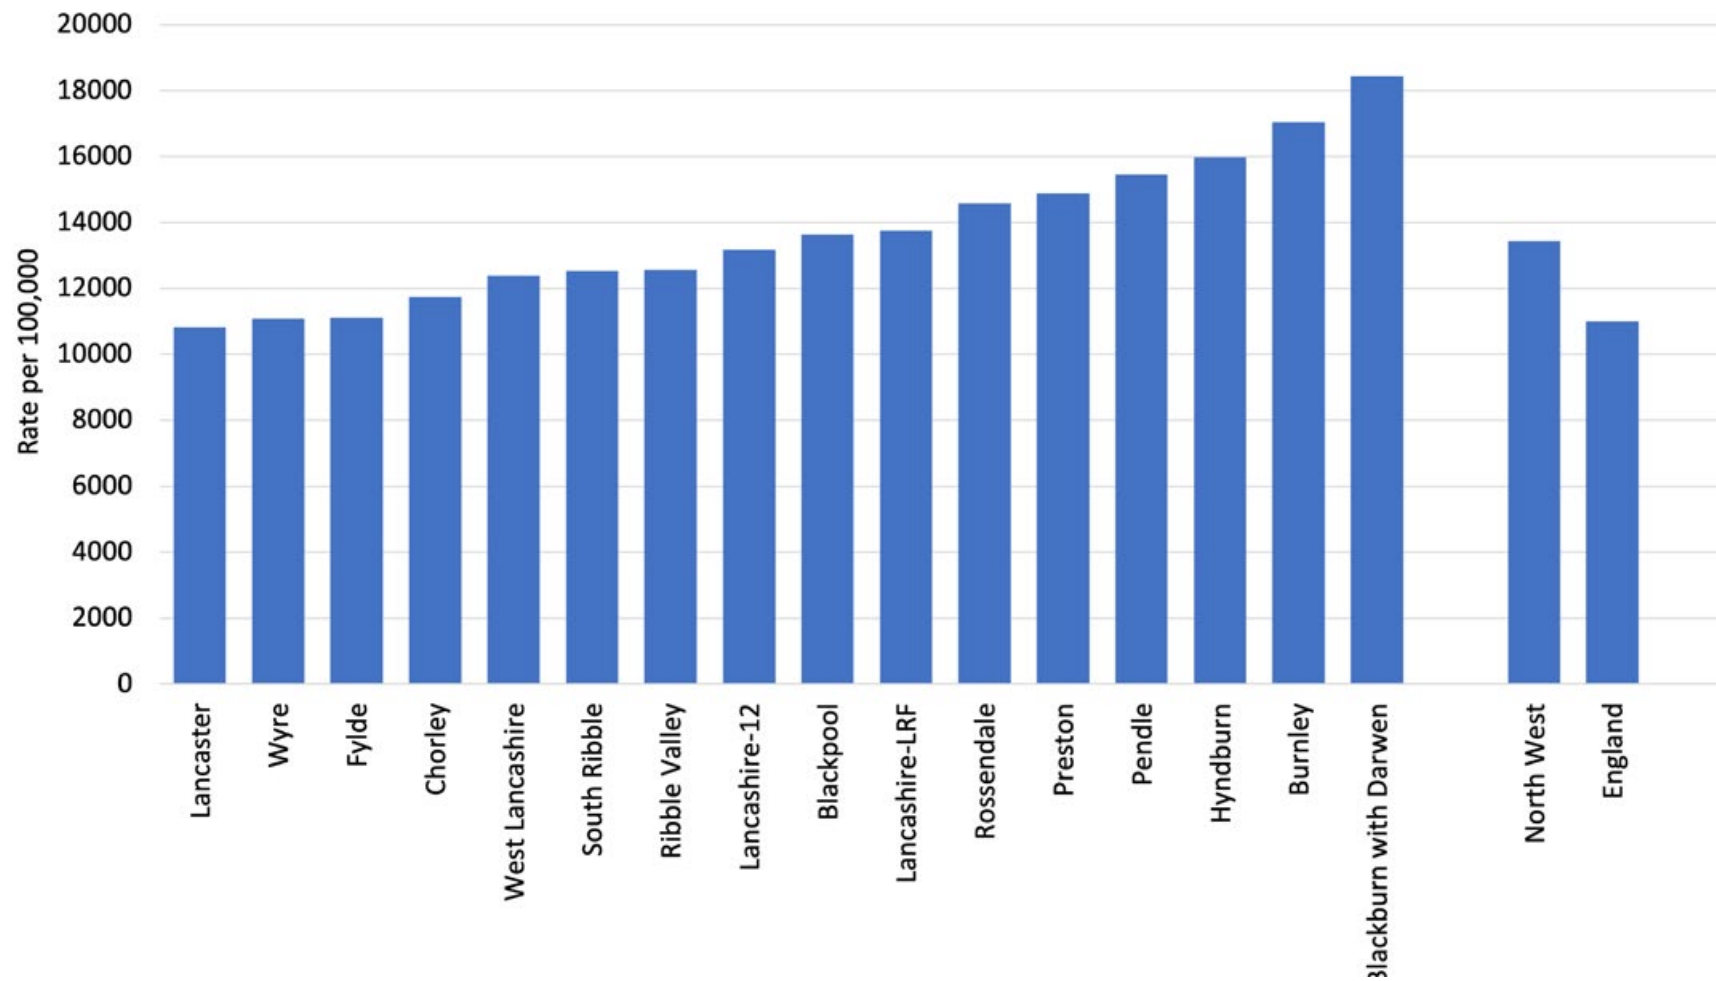

For rate of cases detected via Pillar 1 & 2 testing:
Blackpool's rate is in the highest band, Lancashire's rate is in the fourth highest band and Blackburn's rate is in the second lowest band.

Pillar 1 = swab testing in PHE labs & NHS hospitals for those with a medical need and key workers & their families

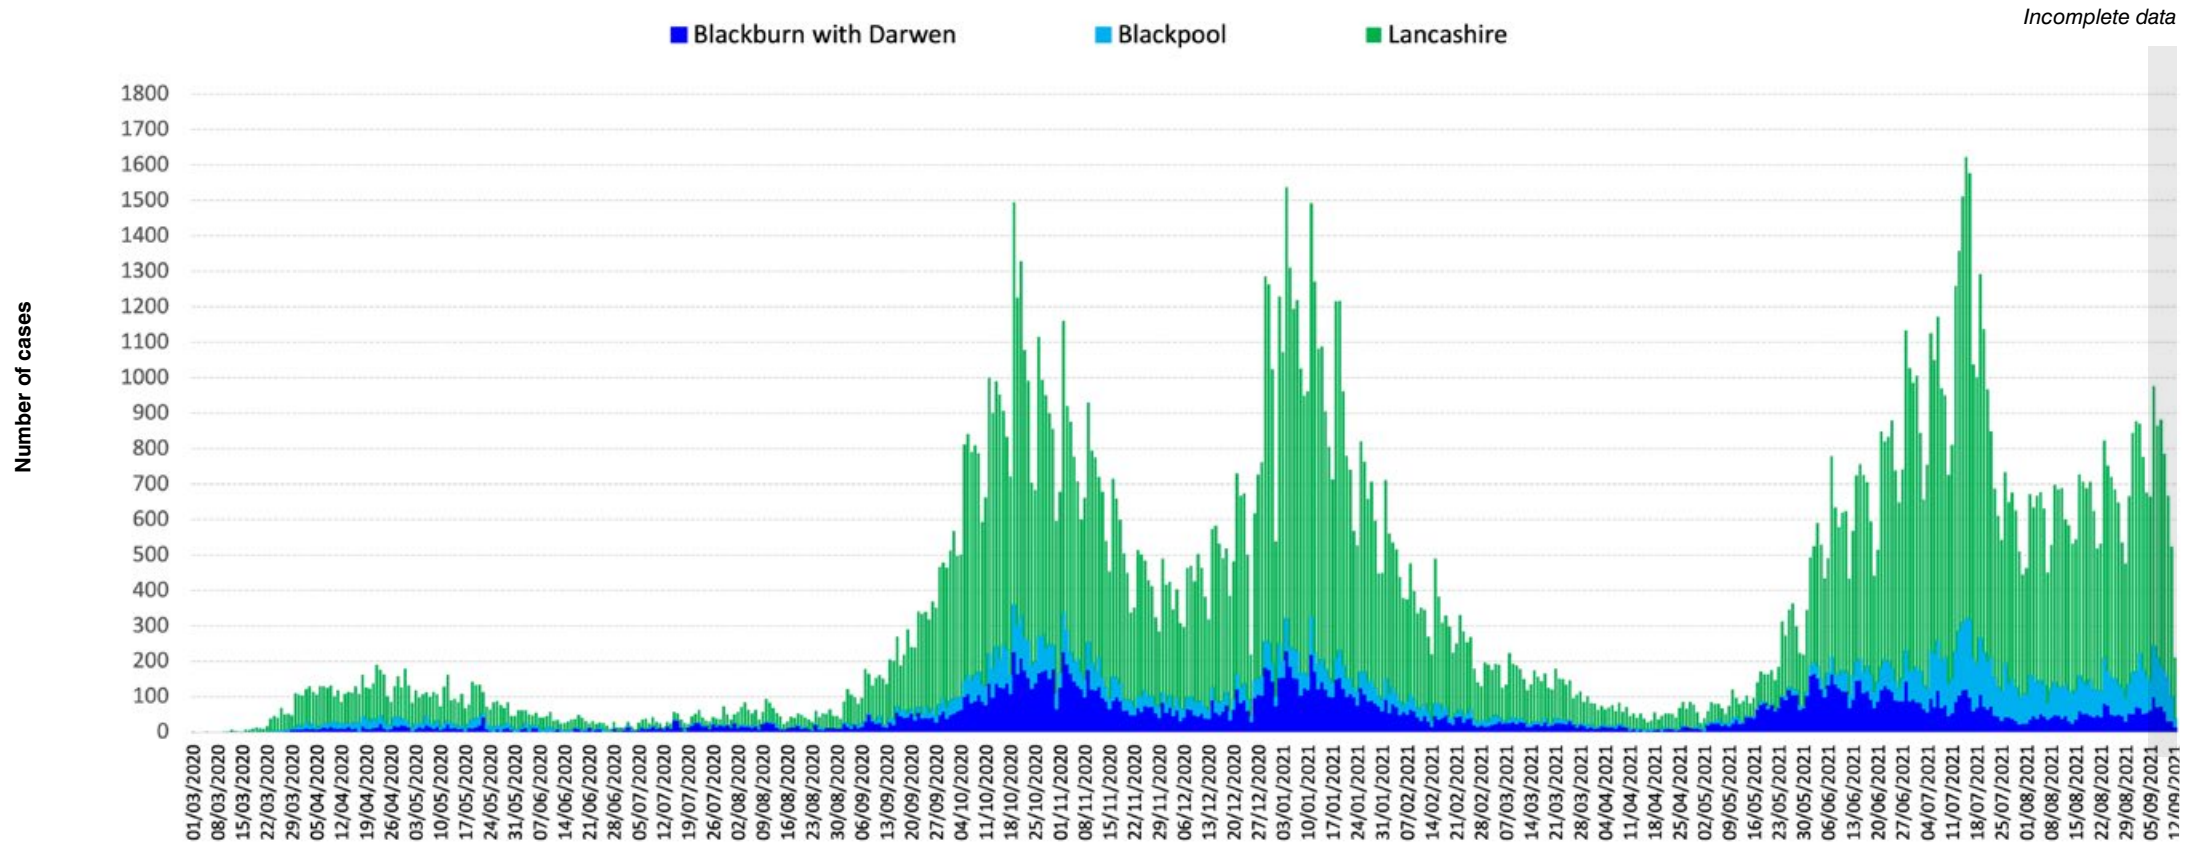

Pillar 2 = testing by commercial partners - swab testing for the wider population from out in the community

Cumulative lab-confirmed cases up to 12 September 2021, rate per 100,000

Daily pillar 1 and pillar 2 lab-confirmed cases to 12 September 2021

Positive tests are counted according to the date the sample was taken. However, most swabs taken in recent days will not yet have produced a result, so it is important not to jump to the conclusion that the epidemic is tailing off quicker than it really is. The PHE website cautions that only data from five days or more ago can be considered complete. The greyed-out columns in figure above are liable to be added to as more results come in.

Figures relating to confirmed cases by Upper Tier Local Authority can be downloaded from: <https://coronavirus.data.gov.uk>

Testing and incidence

Specimens taken/outbreaks reported between 2 September - 8 September 2021

Local Authority	Individuals Tested per 100,000 (7-Day Moving Average)			Percentage Tested Positive per 100,000 (7-Day Moving Average)			All Ages					60+ Years			
							Daily Incidence per 100,000 (7-Day Moving Average)			Confirmed Cases (Last 7 Days)	Seven-Day Change in Case Rate	Daily Incidence per 100,000 (7-Day Moving Average)			Confirmed Cases (Last 7 Days)
Blackburn with Darwen	520.2	504.2	↑	9.4	9.6	↓	323.3	322.6	↑	485	37.0%	191.6	188.2	↑	57

West Lancashire	597.7	598.5	↓	9.8	10.4	↓	392.2	422.7	↓	449	7.0%	279.7	282.7	↓	92
Wyre	651.1	619.4	↑	10.5	10.1	↑	466.1	420.1	↑↑	527	41.0%	244.6	191.6	↑↑	97

Due to the reporting delays for comparison between Local Authorities the most recent 4 days are excluded from the calculations of rates and moving averages.

Single direction-of-travel arrows denote a percentage change of less than 10%.
Twin arrows denote a change of greater than 10%.

Weekly deaths occurring up to 3 September, compared with the five-year weekly average

Non-Covid deaths
 Covid deaths

Total deaths
 Weekly average (2015 - 2019)

Vaccine data

Find out more information about how many people have been vaccinated in your local area, as well as information about the progress of the vaccination programme at:

<https://www.england.nhs.uk/statistics/statistical-work-areas/covid-19-vaccinations/>

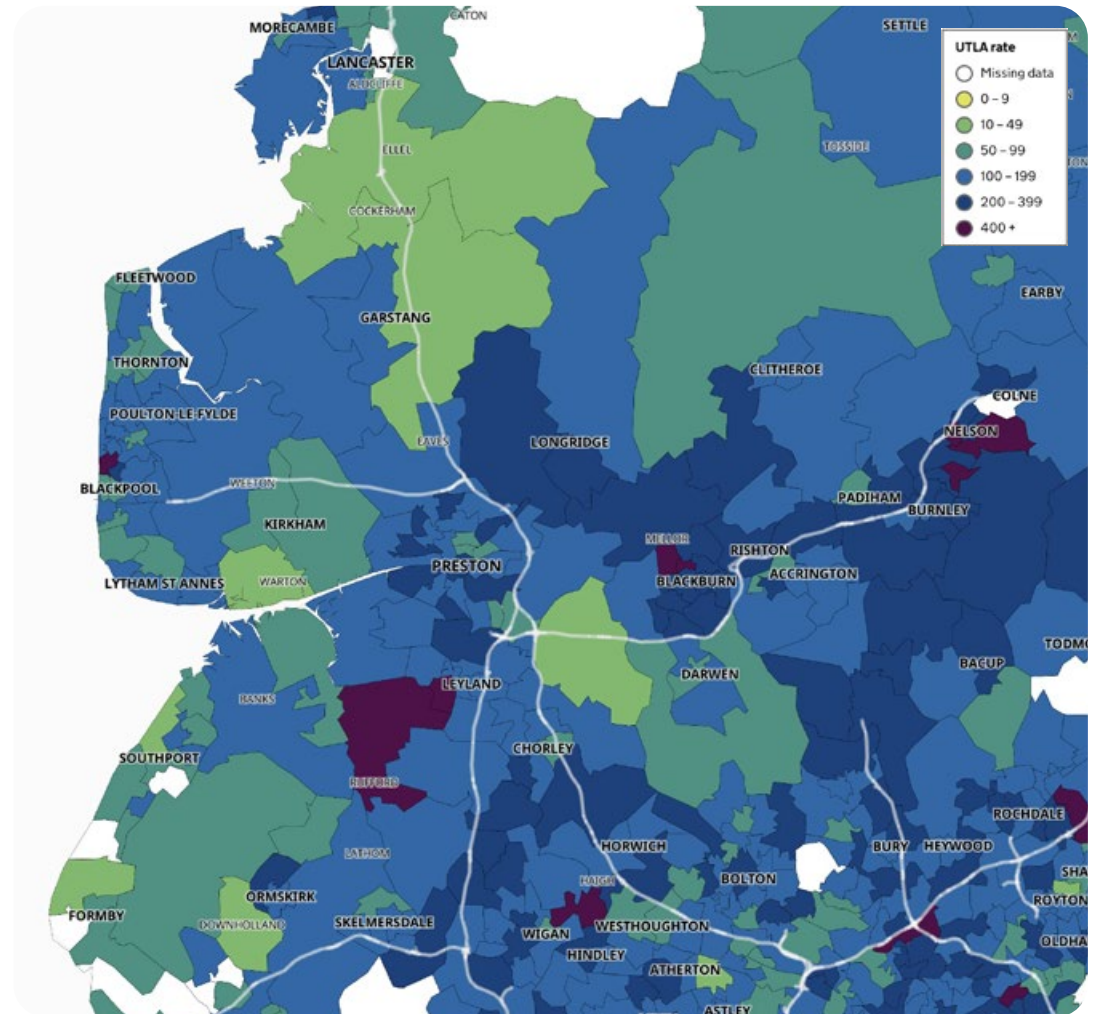

Local information

There is a wealth of local data is available from

<https://coronavirus.data.gov.uk>

By typing in your postcode you will get a local dashboard which shows a range of information including how many positive cases and deaths there have been, and how your local area compares to the England average.

You can also explore the interactive map for England.

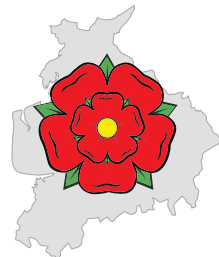

Help share our messages!

Access our [range of resources](#) to share on social media to encourage Lancashire people to play their part to combat coronavirus.

Find out more about the [LancsTogether](#) campaign and what you can do to take part.

We are all working together in Lancashire to combat coronavirus.
