THE LAW

Nitrous Oxide

(N₂O, Laughing Gas)

Know the Law

It is a criminal offence to supply nitrous oxide for recreational use. You could face a fine and a prison sentence of up to 7 years.

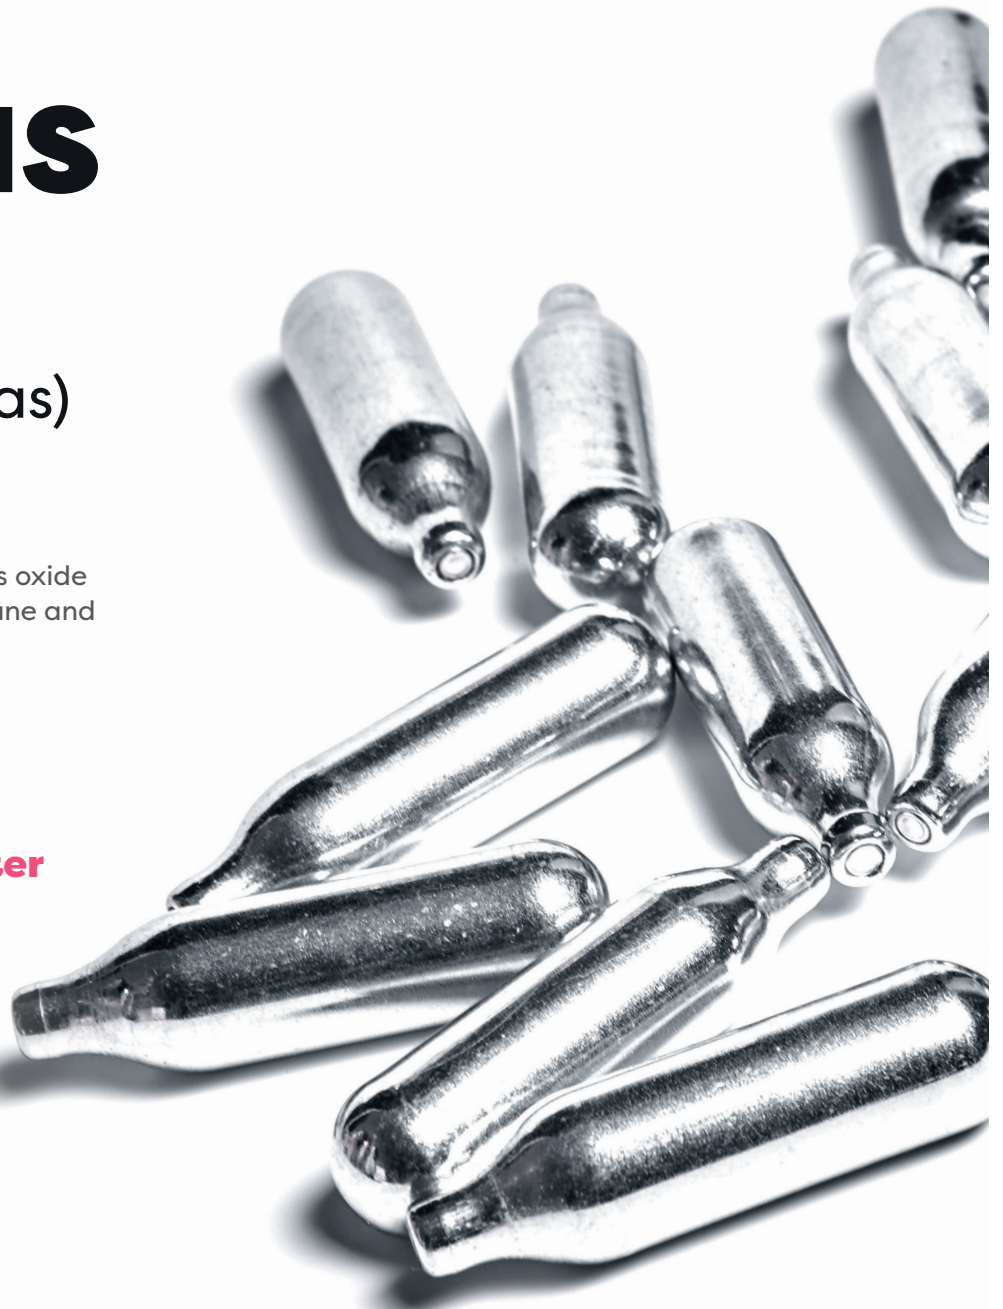

To report a crime

anonymously at Crimestoppers
<https://crimestoppers-uk.org/>

It is an offence to drop litter

but it must be witnessed by a police officer/community support officer or council warden for formal action to be taken and it is likely that if any course of action is pursued it would be a penalty notice for disorder which means a **£50 fine**.
