Your home

Grove House is a purpose built two storey home for older people located in the rural area of Adlington in Chorley. Close by is the popular landmark of Rivington Pike, which is part of the rustic West Pennine Moors.

Grove House is one of 16 care homes managed by Lancashire County Council, and offers quality safe comfortable care and support for up to 47 people across four homely separate areas.

We offer friendly, compassionate, person centred support to people living with dementia who choose Grove House as their home. We also welcome older people for residential care and short term respite stays

We provide a range of facilities including nicely furnished lounges and dining areas with kitchen spaces. People who choose Grove House as their home are welcome to personalise their bedrooms to their own taste with comfy furniture, televisions or belongings that will make their room feel like home.

There are ample bathrooms, showers and toilet facilities, some bedrooms have en-suite whilst the others have washbasins.

The accredited dining experience at Grove House offers fresh locally sourced ingredients expertly prepared to produce a wide choice of delicious meals.

Alternative options are always available. Drinks and snacks are accessible for people who live in the home and their visitors to enjoy throughout the day. Sample menus are available if you would like to view them.

On sunny days Grove House has two inner courtyards with accessible and lovely well-maintained gardens with raised flower beds, offering seating in a closed private area for everyone to enjoy the fresh air. Those wanting to go a little further can visit the picturesque village full of quaint shops. When the weather is not so fine we have a cosy 1950s style lounge in which to relax or enjoy various activities.
