REPORTING END OF KEY STAGE ATTAINMENT DATA FOR RELIGIOUS EDUCATION TO LANCASHIRE SACRE

A heads up! Lancashire SACRE intend to ask schools to submit their end of key stage attainment data for religious education at the end of this academic year. This will be undertaken alongside the annual school survey.

At the start of the summer term, a letter will be sent to schools giving instructions on how to submit data for KS1 and KS2 by September '22. An evaluation survey will be sent to secondary schools.

To support schools in forming assessment judgements against the Lancashire Agreed Syllabus, consultants will hold free training sessions for schools as follows. Both sessions will be hosted by Zoom:

KS1 and KS2-- May 25th 2022 – 1.30- 3.30pm

This session will provide resources to help schools secure their attainment data at the end of Y2 and Y6.

School Website Monitoring

To ensure you are fulfilling your statutory obligations you **MUST** publish on your website the content of your school curriculum in each academic year for every subject, including Religious Education.

This document clarifies NATRE expectations for RE on school websites. This document is accessible via the RE website under the subject leader tab.

Guidance for teacher members on SACREs for making judgements about RE on primary school websites:

Exceptional practice	Green (good or better RE)	Amber (unclear as to the quality of RE)	Red (concerns as to whether RE is being taught)
Excellent levels of detail on RE curriculum plans, which may include additional information about what will happen in RE lessons. You may also see reference to skills being taught and how it builds on prior learning. This work was inspired by an activity conducted by Bristol SACRE

Cumbria Development Education Centre

Cumbria Development Education Centre (CDEC) and Cumbria SACRE have pulled together a collection of virtual tours of religious and spiritual sites to help RE teachers and students discover more about faith. There are also ideas for helping pupils search for and explore other sites too.

Religious Education in Special Schools

What are your views?

Lancashire SACRE is keen to ensure that the agreed syllabus is easily accessible to teachers in special schools and can be readily adapted to fully meet the needs of pupils with special needs and/or disabilities.

Members are keen to gather views from schools to ensure that any work undertaken to adapt materials and create new resources is wise and appropriate.

With this in mind, the SACRE would be grateful if special schools could complete a very short questionnaire. This is being sent to schools via the schools portal with a letter for the attention of the headteacher and subject lead for religious education.

We ask that the click form is completed by Friday 11th February 2022.

The guidance includes ideas for themes, sample planning formats and a model policy.

Ofsted Research Review

For those who haven't seen it, the recently published [Ofsted RE research review](#) is an important read.

As it is a very long, for those with membership, NATRE have produced a two page precis which summaries the main points.

Ofsted will publish a review of the quality of RE curriculums in spring term 2022. This will be based on 'deep dives' carried out during inspections under the EIF.
