

Key stage 1 English writing training exercise 2

For the purpose of this standardisation exercise, you should assume that following the discussion with the teacher during the moderation visit, you are satisfied that the writing is independent, including the use of any source material, and that any edits are the pupil's own.

This collection will be reviewed without recourse to a professional discussion and as such, moderators won't have the opportunity to seek any necessary clarifications. On this basis, minor edits have been made to some pieces of writing to avoid any ambiguity where the pupil's intention was unclear.

This exercise does not contain any collections from pupils deemed to have a particular weakness.
