

# The Hue Man Time Machine

## A Series of lessons aimed at upper KS2

A fresh approach to studying a Black History topic, covering elements of Key Learning from History, Geography, English and Science.

*The national curriculum for history aims to ensure that all pupils know and understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day*

This curriculum pack takes the longest view of human history, from our common beginnings in Africa over 3 million years ago, to help children discover the incredible story of how humans left Africa to colonise the world.

### Key Learning examples :

Geography—*locate the world's countries... name and locate counties and cities of the United Kingdom*

English— *explain and discuss .. understanding...through formal presentations and debates*

Science—*evolution and inheritance*

This lesson pack uses clips from Alice Roberts' TV program "The Incredible Human Journey—Out of Africa"

For further information or to request a copy of the pack, please contact :

could do so much on this...  
I loved it, they loved it.
