

New training opportunities are now available to carers who have completed their mandatory training. To access any of the new topics please contact your Supervising Social Worker who will request access. If you are already part through one of the online courses please complete this prior to requesting another topic. If you need access and have forgotten your password please contact us on 01772 538474 or email us at skillslanddaceducation@lancashire.gov.uk

For new carers or carers who need to refresh their mandatory training please refer to the list of topics below.
