#### Answers

# What was an Anglo Saxon house built of?

Wood with thatched roof.

(It took the wood from 18 trees to build an Anglo Saxon house.)

### What did the Anglo Saxons cook in?

Cooking pot.

(Vegetable stews were a common food for most Anglo Saxons.)

## How did Anglo Saxons fasten their clothes?

Brooches and belts.

(Brooches were like badges with pins on the back to hold cloaks together at the neck.)

### Which of these was NOT eaten by Anglo Saxons?

#### Potatoes

(The Spanish introduced potato to Europe in the second half of the 16<sup>th</sup> century.)

# What animal did Anglo Saxons use to pull a plough?

#### Oxen

(Oxen were stronger than horses.)

# What was made from barley?

#### Bread and beer

(Beer was a popular drink for the Anglo Saxons.)

# What were Anglo Saxon shoes made from?

### Leather

(The leather was made from animal skin. The Anglo Saxons didn't waste anything when they hunted animals for food and then used the animal skin for shoes and belts.)
