

Transport

Mrs Reed

Can you solve the clues to work out the different types of transport?

Across

- 2 I am red and I go to fires.
- 4 I go on rails and I can take lots of people all over the country and the world.
- 5 I am yellow and green and I have blue lights. I take people to hospital.
- 7 I am very big and I sail on the sea. My floors are called decks.
- 8 I go on rails on short journeys.
- 10 I have four wheels and I go on the road. I take people to the police station.
- 12 I have four wheels and a lot of people can travel on me. I go on the road.
- 13 I take lots of things all over the country to shops and factories.
- 14 I float in the air slowly and people stand in a basket underneath.
- 15 I have two wheels and a saddle. Children can ride on me.

Down

- 1 I have rotors to keep me up in the air, but I don't have wings.
- 3 I am small and you use oars to make me go. I don't go on the sea.
- 6 I have two wheels, handlebars and I can go very fast.
- 9 I have two wings and people go all over the world in me.
- 11 I have four wheels and most people have one at home.
