

The Cat and the Dog

The cat is seven years old. The dog is four.
The cat is a girl and the dog is a boy.

The cat and the dog went to the shop.

The dog got a bone

and the cat got a tin of fish.

The

The dog said, "I like fish. Please can I have your fish?"

"No," said the cat, "I like fish. Eat your bone. I want to eat my fish then go to sleep."

The dog was sad but he ate his bone. Then he was happy and went to sleep.

Answer the questions:

How old is the cat/dog? How old are you?

What did the cat/dog get at the shop?

What did the cat/dog like to eat? What do you like to eat?

How does the story finish?
