Governor Training

As part of the support provided to schools the LPDS service also run the course programme for all school governors. This is outlined in a separate brochure which will be distributed via the Schools' Portal and Governor Clerks.

Attendance on any of the advertised courses is available to all governors of schools subscribing to the 2022 – 2023 Lancashire Governor Training and Development Service Level Agreement (SLA).

Governors of non-subscribing schools are welcome to attend courses on a 'pay as you use' basis.

The Tutor Team has a broad spectrum of Lancashire Officers, Teaching and Learning Consultants and Advisers; retired Headteachers; very experienced Chairs of Governors and National Leaders of Governance (NLGs). This brings a wealth of knowledge and experience to ensure that the team provides up to date and relevant training to meet the needs of the school's development plan for individual governors and Governing Boards.

Governor courses can be found on the LPDS website www.lancashire.gov.uk/lpds search for 'governor training' in the dropdown subject list.

To make it as convenient as possible for governors to attend training we are continuing to offer online video conferencing for many courses as well as hoping to resume some face-to-face training later in the academic year.

Look out for the 22-23 course brochure coming into school soon!
