

## **Statement of Reasons**

### **Traffic Calming Measures**

There is an aspiration by Woodplumpton Parish Council to replace the existing traffic calming measures through Woodplumpton Village with an improved set of traffic calming measures and a reduction of speed limit through the village and on the approach to it. The traffic calming measures, which will be financed by Woodplumpton Parish Council is proposed to be implemented to compliment a reduction in the speed limit to 20mph. It is proposed to install 12 no. flat top road humps and 1 no. chicane, which will have a positive impact in reducing vehicle speeds and improving safety for all road users.
