### Statement of Reasons

Following the ethos for the TCF project to improve and encourage travel connectivity by sustainable transport modes, lengths of segregated cycle track and shared use cycleway from Preston Station Cycle Hub to Avenham Park will provide a comfortable and safer place to cycle. It's hoped this will give confidence to encourage more users to consider commuting and leisure travel via improved and better integrated sustainable and public transport means for either the whole of or part of their intended journey, improving health and air quality for the residents of Preston.
