2024/2025

“Start children off on the way they should go, and even when they are old they will not turn from it.”

Proverbs 22:6

'Feeding Hearts and Minds'

The peace, joy and love of Christ is at the heart of all that we do in our school. Through religious education, school policy and, primarily, our culture of prayerfulness, charity, and joy, we seek to share the Gospel with our families, our parish, our community and the wider world.

Using the example of Jesus Christ, we cultivate the skills of heart and mind that allow us to develop our talents and take a shared responsibility for ourselves, each other, and the world He gave us. We profess our faith proudly and recognise that we are called to a loving relationship with God through the sacraments, scripture, and prayer.

Our school is animated by love and our shared faith and clear STRIVE values drive our behaviour, relationships, and learning; we are tolerant and respectful of the unique value of each person. Our individual needs and talents are recognised and nurtured in a warm, inclusive environment where we can use our gifts for the glory of God and in loving service of others.

We have excellent role models who empower us to believe in ourselves and provide us with an outstanding education and a wide range of opportunities – our aspirations for the future are high and we believe that through God's grace we can grow, learn, and realise our full potential.

INTRODUCTION

- The Blessed Sacrament is a Catholic Primary School provided by the Diocese of Lancaster and a member of The Mater Ecclesiae Catholic Multi Academy Trust.
- The Governing Body is the admissions authority and is responsible for taking decisions on applicants for admission.
- The Governors welcome applications from Catholic and non-Catholic parents who would like their children educated within the aims and ethos of The Blessed Sacrament Catholic School.
- The Blessed Sacrament is a Catholic Primary School in which the Catholic faith and the teachings of the Catholic Church are essential aspects of school life and influence the school curriculum.
- We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.
- The Governing Body is responsible for admissions within the requirements of the law. In doing so, the Governing Body has regard for:
 - a. The advice of the Diocesan Trustees on the nature and purpose of Catholic Schools.
 - b. The Governing Body's responsibility towards the school and the Catholic community it serves.
 - c. The Catholic character of the school and its Mission Statement.
- It is the duty of the Governors to comply with class size limits at Key Stage One. This means that the school cannot operate classes in Key Stage One of more than 30 children. No more than 30 children will be admitted to any one reception or infant class.
- The Governing Body has set the planned admissions number for September 2024 at 60. The Local Authority and other parties required by law have been consulted on this.

ARRANGEMENTS FOR ADMISSION IN SEPTEMBER 2024

- Applications for a place at the school should be made on the Local Authority Common Application Form or online (www.lancashire.gov.uk/schools)
- Parents who wish their application to this Catholic school to be considered against the priority faith criteria should also complete the school's Supplementary Information Form. If the school is oversubscribed, failure to complete the Supplementary Information Form may result in your application for a place in this school being considered against lower priority criteria, as the Governing Body will have no information upon which to assess the application on the basis of the applicant's baptism.

OVERSUBSCRIPTION CRITERIA

The Governors will admit up to 60 children in September 2024. If the number of applications for admission exceeds the places available, children will be admitted subject to the following criteria which will be used to form a priority order.

1. Baptised Catholic Looked After Children and previously Looked After Children.
2. Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children who live in the parish of The Blessed Sacrament.

4. Other Baptised Catholic children.
5. Non-Catholic Looked After Children and previously Looked After Children.
6. Non-Catholic children with a sibling in school at the time of expected admission.
7. Other children.

NURSERY

The Governors will admit children into the nursery unit the term after their third birthday. There are 80 places available, 40 in the morning session and 40 in the afternoon session. Should the number of applicants exceed the number of places, the same oversubscription criteria as school applications (shown above) will apply.

EXPLANATORY NOTES

- a) For a child to be considered as a Catholic evidence of a Catholic Baptism will be required.
- b) Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- c) It is the duty of governors to comply with regulations on class size limits at EYFS and Key Stage One.
- d) If in any category there are more applications than places available, priority will be given on the basis of distance from home to school. The distance measure is a straight line (radial) measure from the centre of the building that is the applicant's home address to the centre of the school building. Distances are measured using the Council's Geographic Information System. In the event of distances being the same for 2 or more applicants where this distance would be last place/s to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.
- e) Where there are twins or multiple birth children wanting admission and it is not possible to offer a place to all of the children concerned or there is only one single place left within the admission number, then the Governing Body will exercise as much flexibility as possible within the requirements of infant class sizes. If places for both twins or all triplets, etc. cannot be offered, the family will be advised accordingly. This may also apply to siblings who are in the same year group. If it is not possible to offer a place to all of the children concerned or only a single place can be offered then the place(s) will be offered via a random lottery as described above.
- f) Where a child lives with parents with shared responsibility, each for part of a week, the child's "permanent place of residence" will be determined as the address of the parent who normally has responsibility for the majority of school days in a week.
- g) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster child living at the same address or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

- h) Applications received after the closing date will be treated as late applications. Only in exceptional circumstances, and where appropriate evidence is provided, will applications received after the closing date (but before offers of places have been made) be considered alongside those received on time.
- i) A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. Parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the Autumn Term.
- j) In-year admission is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as an in-year application. The in-year admission process is managed by the school. Parents are required to complete the in-year application form, which is available from the school website. Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel. Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the school's [appeal form](#) on Lancashire County Council's website.
- k) The school does not defer admissions to reception class, or provide part-time education for children who are below compulsory school age on 1st September, except when the child has a diagnosis of Special Educational Needs or a disability and it is deemed that a deferred start would be in the best interests of the child.
- l) The Governing Body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.
