

Cuerden Valley park

Cuerden Valley Park is between Bamber Bridge, Chorley and Leyland. The main car park and visitor centre (with Cuerden View Café) is just off the A49 Wigan Road, close to M6 Junction 29 / M65 Junction 1. PR5 6BY

Walk uphill to a good viewpoint and talk about what you can see.

Can you find the stepping stones across the river? Cross the river counting how many stones there are.

You might play a game of sticky weeds. Can you place the weed on each other's backs without being caught? (Watch out for nettles!)
