

## St. Mary's Catholic Primary School Determined Admissions Policy 2024 / 2025

**This policy has been written in conjunction with the Mission Statement and Aims of the school.**

St. Mary's is a Catholic Primary School situated in the Diocese of Lancaster and is maintained by the Local Authority.

The Governing Body is responsible for admissions within the requirements of the law. In doing so, the Governing Body has a regard for:

- the advice of the Diocesan Trustees on the nature and purpose of Catholic schools;
- the Governing Body's responsibility towards the school and the Catholic community it serves;
- the Catholic character of the school and its Mission Statement.

**The Governing Body has set the planned admissions number of 30.** The Local Authority and other parties required by law have been consulted on this.

In accordance with legislation no more than **30** children will be admitted to any Foundation Stage or Key Stage 1 class. The Governors will endeavour to ensure that no more than 32 children will be in any Key Stage 2 class.

As required by law all children with a Statement of Special Educational Needs or Education Health Care Plan (EHCP) naming the school will be admitted before the application of the oversubscription criteria.

Applications for a place in Reception in September 2024 must be made using the Local Authority online admissions system which can be accessed via [www.lancashire.gov.uk](http://www.lancashire.gov.uk) and search 'Starting Primary School.' This should be completed by 15<sup>th</sup> January 2024. Parents should also complete the school's Supplementary Information Form (available from school and school website and return it at the same time to the school.) If the school is oversubscribed, failure to complete the Supplementary Information Form may result in your application for a place being considered against lower priority criteria, as the Governing Body will have no information upon which to assess the application on the basis of the applicant's baptism.

The admissions committee of the Governing Body will consider all applications at the same time after the given closing date.

Parents or guardians will be informed by letter of the outcome of their application on a common date designated by the Local Authority. Where an application has been successful parents must tell the school of their intention to accept the place within 10 working days.

In the event of applications exceeding the number of places on offer admission to St. Mary's Catholic Primary School is reserved in the following order of priority for:

1. Looked after Roman Catholic children in public care and previously Looked After Children, including adopted from outside England.

2. Baptised Roman Catholic Children who will have a sibling (for the purposes of this document see the explanatory notes for a definition of the terms 'Baptised Catholic' and 'sibling') in the school at the time of admission.
3. Baptised Roman Catholic children resident in the parish of, Blessed John Henry Newman, (Morecambe).
4. Other baptised Roman Catholic children.
5. Other looked after children in public care and previously Looked After Children, including adopted from outside England.
6. Other children who will have a sibling in school at the time of admission.
7. Other children with a specific educational, medical, social or emotional need which is relevant to the school and whose application is supported in writing by an appropriate authority (e.g. doctor or social worker).
8. Other children.

### **Definition of Looked After Children**

**Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted. Looked After Children who are baptised Catholic are prioritised as in the criteria above.**

### **Admission Organisation**

Parents of new pupils are invited to a series of meetings at the school in the June/July before admission. During these meetings parents will have the opportunity to discuss their child's admission and how they might help them prepare for school. In addition to this school will arrange for a member of school staff to visit each child's nursery provider in the May/June before admission.

If a child is finding the transition from home to school traumatic in any way a personal induction programme will be worked out in consultation with the parents/carers, class teacher and head teacher.

### **Admission of children outside their normal age group**

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child (see explanatory notes) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1. Admission authorities **must** make clear in their admission arrangements the process for requesting admission out of the normal age group.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen

into a lower age group if it were not for being born prematurely. *The views of the head teacher of the school concerned **must** also be taken into account. When informing a parent of their decision on the year group the child should be admitted to, the admission authority **must** set out clearly the reasons for their decision.*

Where a parent's request for their child to be admitted out of their normal age group has been agreed to and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the application will be processed as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The application **will not be** given lower priority on the basis that the child is being admitted out of their normal age group. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. *This right does not apply if they are offered a place at the school but it is not in their preferred age group.*

### **Appeals for Admission**

For unsuccessful applications, the letter will give the reason for the decision and will tell parents of their right to appeal. Guidance on how to appeal will also be included.

### **Deferred admission and part time provision**

If your child is due to start school during the next academic year (it is the September following their fourth birthday), it is important that you apply for a place for September. If you wish you can defer the date your child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age (their fifth birthday) and not beyond the beginning of the final term of the school year. Parents are however, asked to be mindful that it is likely to be in your child's interest to start no later than January. You may also request that your child attend school part time until he/she reaches his/her fifth birthday. If you feel your child would benefit from deferred or initial part time provision please contact the headteacher as soon as possible to discuss the situation.

### **Fraudulent Applications**

Where the Governing Body discovers that a child has been awarded a place as a result of an intentionally misleading application from a parent, for example, where a false address has been provided, then the Governing Body is required to withdraw the offer of a place. The application will then be considered afresh and a right of appeal offered if a place is refused.

### **Late applications**

Late applications received up to the date of offer letters being issued will be considered individually by the Governors who will decide whether these can be slotted into the admissions process or whether they must be considered after all those applications which have been received by the stipulated deadline; applications received after offer letters have been issued will also be considered by the Governors who will determine whether or not a place can be offered. The Local Authority will issue all offer letters up to the start of autumn term each year and thereafter Governors will issue any offers. In all instances however, it will be the Governors who determine whether there are sufficiently strong or exceptional reasons to accept late applications.

### **Shared Parenting.**

Please ensure that the information you put on the common application form is accurate. Places can be withdrawn where false or misleading information has been provided. Only permanent addresses should be used. Where a child lives with one parent for part of the

week and another for the rest of the week only one address can be used on the application form; the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings and the address from which the child usually travels. If there is any doubt about this, then the address of the Child Benefit recipient will be used. The Governing Body may on occasion seek verification of addresses from individual applicants.

### **Tie breaker criterion**

In the event of oversubscription in any of the above criteria places will be allocated to applicants living nearest to the school. The distance between an applicant's home and school is measured as a straight line from the Ordnance Survey address point of the home address to the Ordnance Survey address point of the school. The Ordnance Survey address point is a point within the boundary of the property and is usually located at its centre. Distances are measured using the Councils' Geographic Information System.

In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address receives the offer.

### **Waiting Lists**

A waiting list for places will be kept in accordance with the priorities in the published admission arrangements. Applications received after letters offering places have been issued will be kept on the waiting list and prioritised according to the admissions criteria. Late applications may therefore be slotted into the waiting list according to their individual priority within the admissions criteria. If a place becomes available within the school's published admissions number, the child whose name is at the top of the list will be offered a place. This is not dependent upon an appeal having been submitted for the child concerned. The waiting list will be kept until the end of the autumn term in the academic year of admission.

### **In-year admissions:**

**In-year admission is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as an in-year application.**

**The in-year admission process is managed by the school. Parents are required to complete the in-year application form, which is available from the school website.**

**Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel.**

Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the school's [appeal form](#) on Lancashire County Council's website.

This policy will be reviewed annually.

Agreed by governors 14/3/23

## Explanatory Notes.

### **Address of Pupil**

The address used on the school's admission form must be the current one at the time of application. If the address changes subsequently, the parents should notify the school. Where a child lives with one parent for part of the week and another for the rest of the week the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings and the address from which the child usually travels. If there is any doubt about this, then the address of the Child Benefit recipient will be used. The Governing Body may on occasion seek verification of addresses from individual applicants.

If you are moving house and applying for the school and it is not oversubscribed, using your new address may not be a problem. In the event of oversubscription it may be possible to consider your application on the basis of an address you are intending to move to. You must be resident at a specific address and not just have a stated intention to move to an area. You must provide evidence that you have exchanged contracts on a house or have an offer of a tenancy on a property in which you intend to live and which will be in place when your child would start at the school. This evidence must be submitted as soon as possible and no later than the deadline specified by the LA.

### **Baptised Catholic**

Please note this is not a change in our admission policy, it is a definition for the purpose of clarification. For admission to this Catholic school a baptised Catholic is

- One who has been baptised into full communion with the Roman Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome (Proof of baptism with a copy of a baptismal certificate or details of the date and place of baptism *may* be required)
- A child, baptised in another Christian Faith who has been received into full communion with the Roman Catholic faith. (Proof of baptism and reception from the Register of Receptions or Baptismal Register *may* be required)
- A child who, with his or her family, is enrolled in a recognised course of preparation leading to Catholic baptism (Proof of enrolment with details of the place and date of enrolment from the appropriate parish records *may* be required).
- One who is a member of the Eastern Christian Churches and the Orthodox Churches. (Proof of baptism with a copy of a baptismal certificate, details of the date and place of baptism or certificate of reception *may* be required).

### **Children in public care**

A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989). A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

### **Multiple Births**

Where there are twins or multiple birth children wanting admission and there is only a single place left within the admission number, then the governing body will exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances cases we are now able to offer places for both twins and all triplets, even when this means breaching infant class size limits.

### **Siblings**

Sibling refers to full brothers or sisters, half brothers or sisters, adopted brothers or sisters, or the child of the parent/carer's partner where the child for whom the place is sought is living in the same family unit at the same address as that sibling. Stepchildren or foster children who live at the same address are also classed as siblings.

**Summer born children**

The term summer born children relates to all children born from 1 April to 31 August. These children reach compulsory school age on 31 August following their fifth birthday (or on their fifth birthday if it falls on 31 August). It is likely that most requests for summer born children to be admitted out of their normal age group will come from parents of children born in the later summer months or those born prematurely.
