Following consultation carried out between 20 January 2023 and 17 February 2023, it is now intended to modify the proposed Order as titled above, as set out below.

For the avoidance of doubt, it is now proposed that the restrictions set out below will be deferred and that in the future the council may consider:

- c) To introduce the restrictions, either in whole or part.

2. The following Items are to be deferred from Schedule 8:

(1)(i) and (1)(ii) East Street, and (2) St Pauls Square (Northern Leg).

Statement of Reasons

Having considered the consultation responses, it is now proposed to defer the introduction of the consulted proposals to allow for a further review of the area with the intention of mitigating the concerns raised.

This proposal will remove any proposed changes to the restrictions on site whilst still defining exact residential address points with regards to the eligibility for permits in the aim to address the increasing pressure on available permit spaces and avoid resident permit scheme from being further overwhelmed.
