

Focus On...

Continued Professional Development

- It is important to ensure practitioners continually upskill themselves with current legislation and policies
- Ensure all practitioners regularly visit the Children's Safeguarding Assurance Partnership (CSAP) website for current updates and free training e.g. Adverse childhood experiences, Child sexual exploitation
- [Children's Safeguarding Assurance Partnership- Safeguarding information, advice & guidance \(safeguardingpartnership.org.uk\)](https://safeguardingpartnership.org.uk)
- All staff must meet the statutory requirements of the EYFS.
- Statutory training must be completed e.g. Paediatric first aid, introduction to safeguarding and Designated Lead Practitioner
- Staff need an up-to-date knowledge of safeguarding issues
- All training must be current and relevant. Click on the links to check these
