This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation and Academy Primary Schools in the Hyndburn, Ribble Valley, Burnley, Pendle and Rossendale areas. The policy for admission to Community and Voluntary Controlled Schools can be found on page 4.

For Voluntary Aided and Foundation Schools and Academies a summary of the admission policy is provided in this booklet under the entry for each school. Some of these schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.

These criteria will only be applied if the number of applicants exceeds the published admission number. A full version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

Where the school has a nursery class, the number of nursery pupils is in addition to the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE.

How do infant school to junior school transfers work? (Year 2 to Year 3)

In Lancashire, there are 5 infant and 5 junior primary schools. These are separate establishments but are closely linked.

These are:-

- Ribbleton Avenue Infants and Ribbleton Avenue Juniors (Preston)
- Leyland Methodist Infants and Leyland Methodist Juniors (South Ribble)
- Leyland St Andrew's CE Infants and Woodlea Juniors (South Ribble)
- Rosegrove Infants and Lowerhouse Juniors (Burnley)
- Whitefield Infants and Lomeshaye Juniors (Pendle)

If the junior school is able to admit all Year 3 applicants, then this will be arranged locally and will automatically happen each September. If, however, there are more applicants for Year 3 than available places (and anybody may apply for a Year 3 place – including new to area families), then a formal admission round will take place using the determined admission criteria (please see above).

For these pairs of schools, the sibling criterion will be applied across the full age range ie Reception to Year 5 for Reception and Year 3 admissions, and reception to Year 6 for in-year requests.

In the event that during the period specified for attendance at worship the churches have been closed for public worship and have not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the churches have been available for public worship.

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September.

These will, on occasion, increase where strategic place planning issues allow and/or where decisions can be implemented in time for the effective co-ordination of the admission process.

Admission Criteria for Community & Voluntary Controlled Schools

When a school is oversubscribed on parental preferences, then the following priorities apply in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children with older brothers and sisters attending the school when the younger child will start.
4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.
The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria; is a straight line (radial) measure.
If the Local Authority is unable to distinguish between applicants using the published criteria (eg. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.
The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

When a primary school with a GPA is oversubscribed the following priorities will be applied in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children living within the school's geographical priority area with older brothers and sisters attending the school when the younger child will start.
4. Children living within the school's geographical priority area, then
5. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start, then
6. Children living outside the school's geographical priority area.

(Continued on next page)

The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. twins or same block of flats), places will be offered via a random draw.

The distance measure is a straight line (radial) measure centre of building to centre of building.

In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offer(s). In the case of flats, the flat nearest the ground floor will be deemed the nearest. Apartments in the same block will be treated equally with the measurement taken to the main entrance of the block. If after applying the distance tie-breaker there are more applications than places in the apartment block furthest away, a further tie-breaker of random allocation will be used for the applications in this block.

Our priority admission area comprises of: Accrington, Huncoat, Baxenden, Clayton-Le-Moors, Church and Oswaldtwistle.

If in any category there are more applications than places available, priority will be given on the basis of proximity to the school. The distance between the Ordnance Survey Address Points for the school and the home measured in a straight line will be used as the final determining factor (with nearer addresses having priority over more distant ones). This address point is within the body of the property and usually located at its centre. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the local authority's system of a random draw will determine which addresses will receive the offers.

Casterton	Thames Avenue Burnley BB10 2PZ 01282 435657	Mr P Whaling	298	40

SUMMARY OF POLICY ▼ This is an Academy – please contact the school for full admission details. For this school, please apply online at www.lancashire.gov.uk/schools

In the event of oversubscription places will be offered first to those living in the priority admission area using the following criteria:

1. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school.
2. Priority will next be given to children on the basis of psychological, social or medical need. For whom the trust accepts where professional evidence indicates that there are particular psychological, medical or social needs of the applicant should explain why the school is the most suitable or the only school capable of meeting all of their needs and the difficulties that would arise were the child to have to attend a different school. This evidence must be substantiated by at least two relevant qualified professionals who are currently providing direct care/support/treatment to the child on an ongoing basis in their professional capacity, according to the stated medical, psychological or social need e.g. a child or educational psychologist, a child psychiatrist, a general practitioner, an orthopaedic consultant or social worker. Evidence from non-specialist teachers or professionals not qualified in the relevant area would not normally be deemed admissible without compelling supplementary documentation. Supporting evidence to substantiate that the child has an exceptional medical, psychological or social need must be less than six months old and be provided at the time of application in a written format.
3. Priority will next be given to children of staff employed in the Pendle Education Trust, in either of the following circumstances:
 - a) The member of staff has been employed at the Trust for 2 or more years at the time at which the application for admission to the school is made, or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
4. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start. (Map available from the school)
5. Children living within the school's geographical priority area, then
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will, then
7. Children living outside the school's geographical priority. (Map available from the school)

Tie-breaker:

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

Where the Academy has more applications than places available the governing body will draw up a ranked list based on the criteria listed below and will allocate places accordingly.

1. A baptised Catholic 'looked after child' or a baptised Catholic child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order, including those who appear to this admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

Tiebreakers:

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If Governors are unable to distinguish between applicants using the published criteria (e.g. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Where there are places available for some, but not all applicants within a particular criterion, allocation will be made on a random basis with lots drawn.

4. Other Baptised Catholic children.
5. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order, including those who appear to this admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If Governors are unable to distinguish between applicants using the published criteria (eg. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

Tie Break

- Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, the available places will be offered to those living nearest to the school. 'straight line distance' will be used as the measure
- If two or more pupils live equidistant from the school, places will be decided by random allocation
- Where there is more than one application from a postal address contained within a block of flats, places will be decided by random allocation

(Continued on next page)

Straight line distance - in all categories, when decisions have to be made between children satisfying the same criterion, children living nearest to the school, using a straight line measure, have priority. The straight line distance will be measured from the centre point of the house to the centre point of the school. These are determined by the local authority.

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. Pendle Primary Academy	Walter Street Brierfield BB9 5AW 01282 615927	Mr S Thompson	413	60

SUMMARY OF POLICY ▼ This is an Academy. Please contact the school for full admission details. For this school, please apply online at www.lancashire.gov.uk/schools

1. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Priority will next be given to children on the basis of psychological, social or medical need. For whom the trust accepts where professional evidence indicates that there are particular psychological, medical or social needs of the applicant should explain why the school is the most suitable or the only school capable of meeting all of their needs and the difficulties that would arise were the child to have to attend a different school. This evidence must be substantiated by at least two relevant qualified professionals who are currently providing direct care/support/treatment to the child on an ongoing basis in their professional capacity, according to the stated medical, psychological or social need e.g. a child or educational psychologist, a child psychiatrist, a general practitioner, an orthopaedic consultant or social worker. Evidence from non-specialist teachers or professionals not qualified in the relevant area would not normally be deemed admissible without compelling supplementary documentation. Supporting evidence to substantiate that the child has an exceptional medical, psychological or social need must be less than six months old and be provided at the time of application in a written format.
3. Priority will next be given to children of staff employed in the Pendle Education Trust, in either of the following circumstances: a) The member of staff has been employed at the Trust for 2 or more years at the time at which the application for admission to the school is made, or b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
4. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start.
5. Children living within the school's geographical priority area, then
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start, then
7. Children living outside the school's geographical priority area

Tie-breaker

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by Ordnance Survey data). A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week. Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

Geographical Priority Area: Brierfield, Reedley, Nelson.

Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

9. Children from whom the governors accept there are exceptionally strong medical, social or welfare reasons for admission, which are directly relevant to St John with St Michael.
10. Other children with priority based on geographical proximity to the school.

If oversubscribed in any of the above categories the distance to the child's home front door from the main gate of the school in a straight line measured on a map will be used as the tiebreaker, nearer addresses having priority over more distant ones. In the event of a tied distance measurement between address points the Local Authority's system of a random draw will be used as a final tiebreaker to determine which children receive the offer(s). This will be supervised by someone independent of the school.

Tie-breaker

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If Governors are unable to distinguish between applicants using the published criteria (eg. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Definitions for Voluntary Aided & Foundation Schools & Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

DISTANCE

The 'straight line' method of measurement only applies for admission purposes / For transport 'walking routes' are used to determine distance.

PARENTS / FAMILY MEMBERS

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

LOOKED AFTER CHILDREN AND PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). This includes children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted. Relevant, legal documents must be provided to evidence the adoption.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

Timetable for Lancashire Primary Admissions 2024/25

The arrangements for the transfer of pupils to secondary schools in September 2024 will, as far as possible, conform to the following timetable.

Friday 1 September 2023	Apply from this date at www.lancashire.gov.uk/schools (Please remember to press the 'submit' button every time you leave the online system)
Monday 15 January 2024	National closing date for primary applications (statutory).
During this period all applications are processed and all preferences are considered against the published admissions policy. Where there are more applications than places available, decisions are made as to which children should be offered the available places. We will liaise and exchange information with all other admission authorities including neighbouring local authorities. The allocation and offer of a secondary school place is finalised.	
Tuesday 16 April 2024	Offers issued to parents*
Friday 26 April 2024	Deadline for requesting a place on the waiting list(s)
w/c 29 April 2024	Commence ranking of the waiting list
Thursday 16 May 2024	Appeal deadline for Lancashire schools. Deadline for lodging appeals for Lancashire schools 1 st round of hearings.
Wednesday 17 July 2024	Appeals for Lancashire schools submitted by the deadline heard by an independent appeal panel

* If you are not happy with an initial offer the appeals period starts from your receipt of the offer. Appeal information will be issued later as this allows some time for waiting lists to operate.

**Appeals which we receive after the deadline will be slotted into the schedule where possible. We cannot guarantee this however, and late appeals may have to be heard after the agreed date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venue, etc.

The closing date for applications is Monday 15 January 2024.

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2024 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2024.

Unfortunately, offer information cannot be given out by phone.
