This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation and Academy Primary Schools in the Lancaster, Wyre and Fylde areas.

The policy for admission to Community and Voluntary Controlled Schools is listed on page 2.

For Voluntary Aided, Foundation Schools and Academies a **summary** of the admission policy is provided in this booklet under the entry for each school. Some schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.

These criteria will only be applied if the number of applicants exceeds the published admission number. A **full** version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

Similarly, you are advised to contact Primary Schools direct if you require details of their admissions policies.

Admission numbers in The Fylde and North Lancaster districts may be subject to variation.

Where the school has a nursery class, the number of nursery pupils is **in addition to** the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE

Definitions for Voluntary Aided and Foundation Schools and Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

DISTANCE

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance.

PARENTS / FAMILY MEMBERS

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

LOOKED AFTER CHILDREN & PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2021] states that within the oversubscription criteria, the highest priority must be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

This includes children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4) .

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

In the event that during the period specified for attendance at worship the churches have been closed for public worship and have not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the churches have been available for public worship.

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September. These will on occasion increase where strategic place planning issues allow and / or where decisions can be implemented in time for the effective co-ordination of the admission process.

Admission Criteria for Community & Voluntary Controlled Schools

When a school is oversubscribed on parental preferences, then the following priorities apply in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, then
3. Children with older brothers and sisters attending the school when the younger child will start, then
4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

When a primary school with a Geographical Priority Area (GPA) is oversubscribed the following priorities will be applied in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, then
3. Children living within the school's Geographical Priority Area with older brothers or sisters attending the school when the younger child will start,
4. Children living within the school's Geographical Priority Area, then
5. Children living outside the school's Geographical Priority Area with older brothers or sisters still attending the school when the younger child will start then
6. Children living outside the school's Geographical Priority Area below.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Preference Scheme at Castle View Primary Academy

When we are oversubscribed on parental preferences, then the following priorities apply in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Academy accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children with older brothers and sisters attending the school when the younger child will start, then
4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

Tie breaker:

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If Governors are unable to distinguish between applicants using the published criteria (eg. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Hambleton Primary Academy	Church Lane Hambleton Poulton-le-Fylde FY6 9BZ 01253 700331	Mrs H Wood	252	30

SUMMARY OF POLICY ▼ This is an Academy – please contact the Academy for full admission details. For this school, please apply online at www.lancashire.gov.uk/schools

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. After the admission of students with statements of Special Educational Needs where the Hambleton Primary Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

1. Looked after children and previously looked after children. This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Medical, Social or Welfare reasons. Where there are exceptional serious, sensitive and compelling circumstances that are directly relevant to the academy, priority may be given. Professional evidence to demonstrate exceptional or compelling reasons why only this academy can cater for a particular child's needs on any of these grounds must be provided with the application. The evidence must set out the reasons and level of risk to the child or family and why the academy is the only suitable school; plus any difficulties which would arise if the child had to attend an alternative school.

It should be noted that all schools can make provision for special educational needs, and can also manage common conditions e.g. asthma, epilepsy and diabetes.

Only exceptional reasons directly relevant to the academy will be considered. Priority will be given to the child only if the submitted evidence unequivocally proves the circumstances and demonstrates why any alternative school would be unsuitable. Parents are responsible for providing the evidence.

3. Children who will have a sibling in attendance at Hambleton Primary Academy at the time of transfer.
4. The children of staff who have been employed by Hambleton Primary Academy Trust for two or more years, or who meet a skills shortage.
5. Other pupils with priority given to those that live nearest to Hambleton Primary Academy. The measurement will be taken in a straight line from the centre point of the residence to the centre point of the Academy, using the Lancashire Local Authority's geographical information system (GIS).

Tie Breaker

Where there is oversubscription within any of the determined criteria, the priority for places will be decided in a straight-line distance measure (Centre point of the residence to the centre point of the Academy), using the local authority's measuring system. The nearest to the Academy will have priority for admission.

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2024 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2024.

Unfortunately offer information cannot be given out by phone.

Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

To be eligible you must be receiving one of the benefits listed below:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of state pension Credit
- Income Support
- Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work

Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.
