

# Translating Care Skills

Do you recruit internationally? Do you need support to upskill your staff in UK Social Care Skills?

This 6-week course, at 2.5 hours per session, is available from February 2023 and includes:

- Employability Skills: the role & Progression opportunities in Health & Social Care in the UK, differences between working internationally & in the UK, and CV building.
- Health & Social Care Values: British Values, The 6 C's, Person-centred Care, Care Act 2014, Mental capacity Act 2005
- Equality, Diversity & Inclusion: Equality Act 2010, Whistleblowing, Code of Conduct, grievance procedures, and support available.
- Safeguarding: defining Safeguarding & protection, types of harm & abuse, indicators of harm & abuse, policies & procedures, and support available

If you are interested in booking this training programme for your staff, please contact [Nicola.Scott@NelsonGroup.ac.uk](mailto:Nicola.Scott@NelsonGroup.ac.uk)
