<p>One of the ways you can get into the park is through this gate.</p>	<p>This is Astley Hall. It was a big house.</p>	<p>There is a pond where there are lots of birds.</p>	<p>You can go into the wood. There are steps and a path to the stream.</p>	<p>You will see lots of trees in the wood.</p>
<p>What do you think you will see in the park?</p>	<p>What is above the door?</p>	<p>Can you see a duck? What other birds can you see?</p>	<p>Which creatures might we see in the wood?</p>	<p>Who do you think lives here?</p>
