Take a walk around the lake, taking in the points of interest. Explore, show curiosity and talk about what you can see, hear and smell. Get physically active and interactive as you talk about the environment around you.

Sit in the red boat and pretend you are a sailor. Where are you going on your adventure?

Are there many different boats on the lake today? What kinds can you see?

Talk about what you can see and hear in the Japanese Garden

Find the Spitfire plane. Can you see the pilot? Talk about what you can see on the plane.

Look at the map. What can you find on there?
