In and around Banks the moss roads have (on the majority) very deep ditches both sides - all roads at least one side. Farmers wait allow us on their fields if the barley cut is cut. There are very very few tracks - these the farmers ~~shut~~<sup>close</sup> up in the winter months and make them impossible. The Moss Road are dangerous. Heavy Woods Vehicles of it with trailers frequently use them, other drivers use the roads as motorways (I have contacted the council regarding horse signs for Sugar Stubbs Lane. after nearly being killed by a speeding car.)

It is terrifying riding even the quietest horse along these almost single track roads but riding a young Arab as I do. O

It is suicidal. ~~Don't~~ ~~mind~~ this track ~~is~~<sup>is not to be</sup> closed, we need more lanes to be legally opened for our use.

There is a very true saying.

This country was carried on the back of a horse.

For The horse was here before the car. but car drivers don't accept our rights. <sup>super</sup>

Heavy traffic and fast cars make it very dangerous to ride down Ralphs wives lane. The footpath used is a quiet and safe one.

I hereby certify that to the best of my knowledge and belief the above information is correct.
