

STATEMENT OF REASONS

The purpose of this proposed Order is to introduce measures to prevent anti-social overnight parking by Motor Caravans by introducing a No Motor Caravan restriction from 6pm – 8am whilst still providing car parking for residents and visitors to the area.

To encourage visitors to the area the Order further makes the following provisions:

- The introduction of a dedicated Bus drop off/pick-up bays to accommodate visiting coach parking.
- The change from 18-hour to 4-hour Limited Waiting on Inner Promenade along with an extension to the current 2 Hour Limited Waiting on South Promenade to ensure a turnover of available on-street parking options.
- The introduction of a prohibition of Loading on St Annes Road West to remove the potential to park at all times thereby removing congestion and improving traffic flows on this section of carriageway leading from the promenade into St Anne's main shopping area.

The Order further tidies up a number of traffic orders that have been identified in the area to allow for effective enforcement.
