Admissions Application 2025/2026

LOSTOCK HALL ACADEMY **DETERMINED CRITERIA FOR ADMISSION ARRANGEMENTS - 2024/2025** **Published Admission Number (PAN) 150 pupils**

The criteria to be used to allocate places when the Academy is oversubscribed are:

1. Children in public care at the time when preferences are expressed and who are still in public care at the time of their admission to school, and those who have been previously looked after (see note (i) below); then
2. Children for whom the Governors accept, based on the written opinion of professional experts that there are exceptional medical, social or welfare reasons associated with the child or family that are directly relevant to Lostock Hall Academy; then
3. Children of staff who are employed by Lostock Hall Academy on either a full or part time basis when:
 - a) the member of staff has been employed by Lostock Hall Academy for 2 years or more
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children with older brothers or sisters (including adopted and fostered siblings, step siblings and those living as siblings in the same family unit) attending the Academy at the date of the younger child's admission.
5. Higher priority will be given to the children living within the District Council wards of Coupe Green and Gregson Lane that lie within the geographical priority area up to a maximum of 10% of PAN.
6. Children living within the Academy's geographical priority area (GPA) (see note (ii) below).
7. Children living outside the Academy's geographical priority area (see note (ii) below).
8. If there are more children in any of the individual categories than there are places remaining, then those children who live nearest to the school by a straight line (radial) measure will have priority. The distance is measured using a geographical information system and the measurement is taken from the centre point of the Academy to the centre point of the home (see note (ii) below).

Notes

(i) Priority

Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

(ii) Residence

A child's permanent address is the one where they normally live, sleep and go to school from. Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process, including after admission.

(iii) Late Applications

Applications for school places that are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for the late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process has been completed.

(iv) Waiting List

Our Waiting List is compiled in accordance with our Admissions Criteria. Parents of children who are not admitted can request to have their names placed on the waiting list. This waiting list will operate for the whole of the autumn term before being abolished.

(v) In-year Admissions

In-year admission is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as an in-year application. The in-year admission process is managed by the school. Parents are required to complete the in-year application form, which is available from the school website.

Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel. Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the school's appeal form on request from the academy. All enquires should be directed to:

For pupils from non-low income families (5) Lancashire County Council (LCC) has a statutory duty to meet the cost of travel for those pupils who reside three miles or more (measured by the shortest walking route) from the school and where an admission to a closer school is not available. For pupils from low income families travel costs will additionally be paid by LCC if our school is one of the three nearest schools to your home and the distance is between two and six miles. If you are in doubt over the distance between your home and the school or your entitlement to travelling expenses please check with the Area Education Office. This allowance is the sole responsibility of Lancashire County Council and may be subject to change by them. In respect of home to school journeys, the school is not liable to make any payments for travelling expenses or to provide transport.
