

Hutton Grammar Church of England Grammar School

Proposed Admission Arrangements 2025

Making an application

Applications for admission to the school for September 2025 should be made on-line at between **1st September 2024 and 31st October 2024**. It is not normally possible to change the order of your preferences for schools after the closing date.

Parents **must** complete their home Local Authority application form, stating three preferences. Residents can apply online at <https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/> For families who are unable to apply online, application forms can be requested from, and returned to, the school or appropriate area office, the address of which is available at the school. All parents returning application forms to school must receive a receipt of submission.

Parents who wish their application to this Church school to be considered against the faith criteria **must** also complete the Supplementary Form. If the school is oversubscribed, a failure to complete the Supplementary Form will result in your application for a place in this school being considered against lower priority criteria as the Governing Board will have no information upon which to assess the worship attendance.

The Supplementary Information Form must be completed at the time of application and is available from the school or online at school website address.

The Supplementary Information Form must be returned directly to the school by 31st October 2024 if parents wish their application to be considered against faith criteria

For parents applying online emails informing parents of whether or not their child has been allocated a place will be sent out by the Local Authority on 1st March 2025. Parents of children not admitted will be informed of the reason and offered an alternative place by the Authority. Parents applying by hard copy forms will be informed by letter.

Admission procedures

Arrangements for admission have been agreed following consultation between the Governing Body, the Diocesan Board of Education, Local Authorities and other admission authorities in the area.

The number of places available for admission to Year 7 in the year 2025 will be a maximum of 149.

The Governing Body will not place any restrictions on admissions to Year 7 unless the number of children for whom admission is sought exceeds their admission number. The Governing Body operates a system of equal preferences under which they consider all preferences equally and the Local Authority notifies parents of the result. In the event that there are more applicants than places after admitting all children with a Statement of Educational Need or Education Health and Care Plan naming the school, the Governing Body will allocate places using the criteria below which are listed in order of priority.

1. (a) Children in public care and previously looked after children.

This means a 'looked after child' or a child who was previously looked after but immediately after became subject to an adoption, child arrangements or special guardianship order, including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted (please see definitions below). A 'looked after child' is a child who is (a) in the care of the local authority or (b) being provided with accommodation by a local authority in exercise

of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to the school.

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who are adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individual's to be a child's special guardian (or special guardians). A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

(b) Children with special medical or social circumstances affecting the child where these needs can only be met at this school.

Professional supporting evidence from a professional, e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the only school where these needs can be met and the difficulties which would be caused if the child had to attend another school. Parents must submit this evidence to the school by 31st October 2024, if they wish their application to be considered under this criterion.

2. **Boys who have a sibling attending the school at the date the application is made and on the date of admission.** Siblings include step, half, foster or adopted siblings who are living at the same address.
3. **Boys whose parents/guardians worship in a church in membership of Churches Together in England or the Evangelical Alliance and:**
 - a) **live within the ecclesiastical parishes of Penwortham (2), Longton, New Longton, Farington Moss, Lostock Hall and Hoole**
 - b) **live outside the area**

The list of Churches can be found on the Churches Together in England website at www.cte.org.uk and the Evangelical Alliance website at www.eauk.org and is taken as that on 1st September 2024. Churches in membership of the equivalent bodies in Northern Ireland, Scotland and Wales are accepted. **Parental worshipping is normally taken to mean a minimum of monthly attendance at church at public worship for over at least six months. The date on which this is judged is 1st September 2024.** The governors will request confirmation of this from the relevant member of the clergy or church officer. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

4. **Boys whose parents live within the ecclesiastical parishes of Penwortham (2), Longton, New Longton, Farington Moss, Lostock Hall and Hoole.** This is defined by the Church of England parishes of St Mary's Penwortham, St Leonard's Penwortham, St Andrew's Longton, All Saints New Longton, St Paul's Farington Moss, St James Lostock Hall, and St Michael's Hoole. A map showing the boundaries is available in school.
5. **Boys whose parents live outside the area:**

a) whose parents/guardian show evidence of being active members of a faith other than Christian which is associated with the UK Inter-Faith Network

Parental worshipping is normally taken to mean a minimum of monthly attendance at public worship for over at least six months. The relevant date is 1st September 2024. The governors will request confirmation of this from the relevant faith leader. In the event that during the period specified for attendance at worship the relevant place of worship has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the relevant place of worship or alternative premises have been available for public worship.

b) Other boys on the basis of distance of home from school

Tie break

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where two addresses have the same distance, or the cut-off point is for addresses within the same building, then the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Late applications for admission

Where there are extenuating circumstances for an application being received after the last date for applications, and it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all the others.

Otherwise, applications which are received after the last date will be considered after all the others, and placed on the waiting list in order according to the criteria.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list by the school. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. Looked after children or previously looked after children allocated a place at the school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

This waiting list will operate until 31st December 2025.

The schools in-year admissions will be administered by the Governing Board of the School.

Address of pupil

The address used on the school's admission form must be the current one at the time of application, i.e. the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that

is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the Governing Board reserve the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required

In-year admissions

In-year admission is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as an in-year application.

The in-year admission process is managed by the school. Parents are required to complete the in-year application form, which is available from the school website.

Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel. Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the school's [appeal form](#) on Lancashire County Council's website.

Appeals for routine admissions

Where the governors are unable to offer a place because the school is over subscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. **Parents should notify the clerk to the governors at the school by 16th April 2025.** Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. You will normally receive 14 days' notice of the place and time of the hearing.

Appeals which are received after the deadline will be slotted into the schedule where this is possible. There is no guarantee that this will happen and late appeals may be heard after the stipulated date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venues and the number of appeals for each school (which will vary year on year)

Please note that this right of appeal against the governors' decision does not prevent you from making an application or an appeal in respect of another school.

Fraudulent applications

Where the governing body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence in the catchment area or of involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the governing body is required to withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.

Twins/Triplets etc. Where there are twins wanting admission and there is only a single place left within the admission number, then the Governing Body will exercise as much flexibility as possible. If places for twins or all triplets, etc cannot be offered, the family will be advised accordingly. This may also apply to siblings who are in the same year group. If only a single place can be offered for twins, then the Local Authority's system for a random draw will decide which pupil receives an offer.

IMPORTANT: This form must be returned directly to school before 31st October 2024 either to Hutton Grammar School, if parent(s)/carer(s) wish their application to be considered against faith criteria.
