

Pathway for Requesting Health Advice for Annual Reviews for Children and Young People North Area

Email the service directly to request a contribution
Please note many email addresses are area specific and are on the second sheet of this document
 Please ensure the email subject is listed as:
 EHCP Annual Review: Request for Information + Due date

Paediatricians should NOT be sent annual review requests*

Please also ensure Child/Young person's full details are in the body of the email, including address and NHS number (if known) and attach standard invitation letter and proforma annual review report.
Information may be submitted in other formats and use of the LCC form is not mandatory.
<http://www.lancashire.gov.uk/media/902861/professionals-advice-towards-review.docx>

Please ensure recipient knows to return the information/report directly back to the school email address.

***Please note that parents should hold a copy of the latest clinic letter from their CYP's Paediatrician and should be able to supply a copy of this to you for their child's review. Paediatricians should not be asked to complete a form for an annual review**
