

Virtual Office Space

If you need a professional business address but don't want the cost or commitment of renting an office, White Cross Business Park offers virtual office space.

For just £50 + VAT per month, your business could benefit from:

- Ideal for home and mobile workers to gain a 'bigger business' presence.
- A more professional business image without large overheads.
- A prestigious Business Mailing Address in an established business park.
- Fully staffed reception to sign for and hold mail.

For an additional £10 + VAT per month, plus postage, we can also offer mail handling services.

White Cross Business Park, Lancaster is an excellent place to base your business. Consisting of 300,000 sq ft of lettable space over 15 acres with in excess of 140 business operating from the site, it's a dynamic urban village within a thriving cultural city.

You can also take advantage of meeting room hire for a small additional cost.
