

Rossendale Road Burnley

STATEMENT OF REASONS

The purpose of the 30mph speed limit extension is to improve the safety for all highway users and increase the sustainability for the new housing development and residents of the existing properties who walk to and from the adjacent bus stops.

The proposals are being pursued as part of a **s278** Agreement under the Highways Act 1980 as part of a new development which will introduce further traffic movements.

These proposals are being funded by Section s278 monies deposited by the developer and linked to the adjacent housing development.
