

## **Statement of Reasons Halstead Street Burnley and Dent Row**

The purpose of this proposal is to introduce waiting restrictions to prevent obstructive parking behaviour, allowing for the safe access of the premises along Halstead and Dent Row and to maintain visibility along this road. The Taxi Stand will also be relocated away from the new signalised junction on Halstead Street to a suitable location on Dent Row for ease of access to the railway station.

These proposals are being funded by Section 278 monies by the developer and are linked to the new housing development.
