

Determined Admissions Policy 2025/2026

ADOPTED January 2024

NEXT REVIEW January 2025

1. Admission Arrangements

Our **admission number** for the academic year 2025/2026 will be 300. This is the maximum number of Year 7 children that we will admit in September at the beginning of the Autumn Term.

If the college is oversubscribed, then the following admissions criteria will be applied to decide which children should be offered the available places.

The criteria below are in priority order.

1. Children in public care and those who have been previously looked after (*see note(i) below*); **then**
2. Children for whom the college accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the college (*see note (ii) below*); **then**
3. Children of current employees of the school who have had a permanent contract prior to the admissions deadline or with immediate effect if the member of staff is recruited to fill a post for which there is a demonstrable skills shortage; **then**
4. Children with older brothers or sisters attending the College when the younger child will start (*see note (iii) below*); **then**
5. Children living within the college's outer geographical priority area (*see notes (iv) and (v) below and the map on the school website*); **then**
6. Children living within the college's inner geographical priority area (*see notes (iv) and (v) below and the map on the school website*); **then**
7. Children with older brothers or sisters who have completed their secondary education at Unity College within the last two academic years. (*Please ensure you state this on your application form with the name and date of birth of the sibling that has left*); **then**
8. Children living outside the College's geographical priority area (*see notes (iv) and (v) below and the map on school website*).

Notes

- i. The highest priority will be given to looked after children or a child who was previously looked after but, immediately after being looked after, became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the College to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- ii. The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children without an education, health and care (EHC) plan who have special needs. Children who have an education, health and care (EHC) plan will have their applications considered separately, under a separate admissions process.
- iii. Brothers and sisters include step children, half brothers and sisters, fostered and adopted children living with the same family at the same address (consideration will be given to applying this criterion to full brothers and sisters who reside at different addresses).

- iv. A child's permanent address is the one where he/she normally lives and sleeps and goes to school from. Proof of residence may be requested at any time throughout the admission process, including after a child has accessed a college place.
- v. Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for the admission application. This will normally be the one where the child wakes up for the majority of college days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.
- vi. The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the college is unable to distinguish between applicants using the published criteria (e.g., twins or same block of flats) places will be offered via a random draw. The distance measure is a straight line (radial) measure from the centre of the College building to centre of the house or accommodation that the child resides in.
- vii. Applications for places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.
- viii. The Local Authority will keep a waiting list for one term only until 31 December of the relevant year. The waiting list will be kept in the order of the oversubscription criteria.

Geographical Priority Areas

Outer Geographical Priority Area: This area includes the civil parishes of Briercliffe, Worsthorne with Hurstwood, Cliviger and Habergham Eaves.

Inner Geographical Priority Area: This area includes central Burnley, including the Lowerhouse, Rosegrove, Rosehill, Burnley Wood, Stoneyholme, Daneshouse, Burnley Lane and Heasandford districts.

2. In-Year Admissions

In-year admission is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as an in-year application.

The in-year admission process is managed by the College. Parents are required to complete the in-year application form, which is available from the College website.

If there is a place in the appropriate year group, then the governors will arrange for the admission to take place.

Waiting List

If there are no places available in a year group, we offer parents and carers the option to be placed on a waiting list. Waiting lists are not maintained on a 'first come, first served' basis. Waiting lists are kept in the priority order as explained in the determined admission policy. *(Please refer to the criteria in Section 1).*

If a place becomes available and your child is priority on the waiting list, we will contact you. Once a place has been offered, we must receive acceptance of the place within five school days, or we may withdraw the offer and consider that the place has been declined.

Please note that your child's place on the waiting list may change if another child with a higher priority under the determined admission policy criteria is added to the list.

Appeals

Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel.

Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the College's [appeal form](#) on Lancashire County Council's website.
