

Admissions Policy for The Hyndburn Academy 2025-26

Preamble:

1. This document sets out the proposed arrangements for The Hyndburn Academy, throughout this document referred to as “the Academy”. These arrangements are without prejudice to the provisions of Annex B to the Master Agreement. The document forms an annex to the Supplemental Agreement between United Learning Trust (‘ULT’) and the Secretary of State. References in this document to “parents” include guardians and carers.

2. The Academy will comply with all relevant provisions of the statutory codes on admissions (the School Admissions Code and the School Admission Appeals Code of Practice) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be references to ULT. References to “the LA” shall be deemed to be references to Lancashire County Council and references to “the Admissions Forum” to be to the Lancashire admissions Forum. In particular, the Academy will take part in the Admissions Forum set up by the LA and have regard to its advice; and will participate in the co-ordinated admission arrangements operated by the LA.

3. Notwithstanding these arrangements, the Secretary of State may direct the Academy to admit a named pupil to the Academy on application from an LA. Before doing so the Secretary of State will consult the Academy.

Admission Arrangements

4. The admission arrangements for the Academy, subject to any changes approved by the Secretary of State, are:

a) The Academy has an agreed admission number of 135 students. The academy will accordingly admit at least 135 students in the relevant age group each year if sufficient applications are received.

b) The Academy may set a higher admission number as its published admission number for any specific year. Before setting an admission number higher than its agreed admission number, the Academy will consult those listed in paragraph 19 below. Students will not be admitted above the published admission number unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

Process of Application

5. Applications for places at the Academy will be made in accordance with the LA’s co-ordinated admission arrangements and will be made on the Common Application Form provided and administered by the LA. The Academy will be using the following timetable for applications each year (exact dates within the months may vary from year to year) which, whenever possible, will fit in with the common timetable agreed by the Admissions Forum or LA:

- a) September – The Academy will publish in its prospectus information about the arrangements for admission, including oversubscription criteria, for the following September (e.g. in September 2024 for admission in September 2025). This will include details of open evenings and other opportunities for prospective students and their parents to visit the school. The Academy will also provide information to the LA for inclusion in the composite prospectus, as required;
- b) September/October – The Academy will provide opportunities for parents to visit the Academy;
- c) October – Common Application Form to be completed and returned to the LA to administer;
- d) November – LA sends application details to the Academy;
- e) The Academy returns ranked list, based on admissions criteria, of all applications to LA within the agreed timescale.
- f) February – LA applies agreed scheme for local schools, informing other LAs of offers to be made to their residents;
- g) 1st March offers made to parents.

Consideration of Applications

- 6. The Academy will consider all applications for places. Where fewer than 120 applications are received, the Academy will offer places to all those who have applied.
- 7. Notwithstanding paragraph 6 above, the Academy may refuse admission to particular applicants, in cases where fewer than the published admission number have applied. These are applicants who have been permanently excluded from two or more other schools and the ability to refuse admissions runs for a period of two years since the last exclusion. Exclusions which took place before the child concerned reached compulsory school age do not count for this purpose. This applies to admissions at all age levels.

Criteria Applied to Admissions in 2025-2026 and Subsequent Years

- 8.
 - a) Children in Public care, who are in public care at the time when preferences are expressed and are still expected to be in public care when admitted to the Academy.
 - b) Children who have specific medical needs, social needs and special needs where the application is supported by written specific medical advice as to why admission to the Academy is necessary. The definition as to what constitutes medical, social and special need within the scope of this provision will be available in writing to parents in the prospectus as part of the admissions policy. It is the responsibility of parents to show that it is essential for the child to attend the Academy rather than any other school.
 - c) Siblings of students who will be attending the Academy on the date when the applicant would be admitted. The term sibling means a full, step, half, adopted or fostered brother or sister, but not cousins, who live at the same permanent address. The Academy reserves the right to ask for proof of relationship.

d) Students who have received education within a school that is within the linked learning family federation of schools for United Learning.

e) Children whose permanent address is closest to the Academy. The distance will be measured as the direct line distance 'as the crow flies' measured between the child's permanent address to the Academy's main entrance on Stourton Street using SMART (Schools Mapping Admissions Routing and Transport System) software. The distance is measured to the exact Ordnance Survey point of each applicant's home. A child's permanent address is where he or she normally lives and sleeps and goes to school from.

f) If false or misleading information is used to gain entry to the Academy, the offer of a place will be withdrawn and the application cancelled.

In the event of a tie-break being necessary within any of the criteria, this will be conducted through a distance measure using a radial measure from the centre of the home to the centre of the school.

Procedures where the Academy is oversubscribed

9. Where the number of applications for admission is greater than the published admissions number, category A-D listed below will be considered. These will be applied in the order in which they are set out below:

a) Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

b) Children who have specific medical needs, social needs and special needs where the application is supported by written specific medical advice as to why admission to the Academy is necessary.

c) Siblings of students who will be attending the Academy on the date when the applicant would be admitted. The term sibling means a full, step, half, adopted or fostered brother or sister, but not cousins, who lives at the same permanent address. The Academy reserves the right to ask for proof of relationship.

d) Children whose permanent address is closest to the Academy. The distance will be measured as the direct line distance 'as the crow flies' measured between the child's permanent address to the Academy's main entrance on Stourton Street using SMART (Schools Mapping Admissions Routing and Transport System) software. The distance is measured to the exact Ordnance Survey point of each applicant's home. A child's permanent address is where he or she normally lives and sleeps and goes to school from.

Operation of Waiting Lists

10. Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, the Academy will operate a waiting list. Where in any year the Academy receives more applications for places than there are places available, a waiting list will operate during the autumn term. This will be maintained by the Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. From the date when the waiting list ceases to operate, all applications received will be considered on the basis of the oversubscription criteria.

11. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in this document. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Arrangements for Admitting Students to Other Year Groups, Including Replacing Any Students Who Have Left the Academy

12. In-year admissions is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as in-year application. The in-year admission process is managed by the school, see the school website for more information, www.thehyndburnacademy.org.uk Parents are required to complete the in-year application form, which is available on request from the school on 0124 885378. See the school website for more information, www.thehyndburnacademy.org.uk

Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel. Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the school's appeal form on Lancashire County Council's website.

Appeals

13. Parents will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with admission decisions of the Academy. The Appeal Panel will be independent of the Academy. The arrangements for Appeals will be in line with the Code of Practice on School Admission Appeals published by the Department for Children, Schools and Families as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel will be made in accordance with the Code of Practice on School Admission Appeals and is binding on all parties. The Academy will prepare guidance for parents about the appeals process and provide parents with a named contact who can answer any enquiries parents may have about the process.

Where any of those bodies that were consulted, or that should have been consulted, make representations to the Academy about its admission arrangements, the Academy will consider such representations before determining the admission arrangements. Where the Academy has determined its admission arrangements and notified all those bodies that it has consulted and any of those bodies object to the Academy's admission arrangements they can make representations to the Secretary of State. The Secretary of State will consider the representation and in so doing will consult the Academy.

Where he judges it appropriate, the Secretary of State may direct the Academy to amend its admission arrangements.

20. Those consulted have the right to ask the Academy to increase its proposed published admissions number for any year. Where such a request is made, but agreement cannot be reached locally, they may ask the Secretary of State to direct the Academy to increase its proposed published admissions number. The Secretary of State will consult the Academy and will then determine the published admission number.

21. In addition to the provisions at paragraphs 23 and 24 above, the Secretary of State may direct changes to the Academy's proposed admission arrangements and, in addition to the provisions above, the Secretary of State may direct changes to the proposed published admissions number.

Proposed Changes to Admission Arrangements by the Academy after Arrangements Have Been Published

22. Once the admission arrangements have been determined for a particular year and published, the Academy will propose changes only if there is a major change of circumstances. In such cases, the Academy must notify those consulted under paragraph 19 above of the proposed variation and must then apply to the Secretary of State setting out:

- c) Any comments or objections from those entitled to object.

24. Where the Academy has consulted on proposed changes the Academy must secure the agreement of the Secretary of State before any such changes can be implemented. The Academy must seek the Secretary of State's approval in writing, setting out the reasons for the proposed changes and passing to him any comments or objections from other admission authorities/other persons.

25. The Secretary of State can approve, modify or reject proposals from the Academy to change its admission arrangements.

26. Records of applications and admissions shall be kept by the Academy for a minimum period of ten years and shall be open for inspection by the Secretary of State.

Notes

Twins/Triplets etc

If Places for twins/triplets etc cannot be offered, the family will be advised accordingly. (This also applies to siblings in the same year group). If places cannot be allocated to both or all of these children then the Academy will operate a system of random allocation to decide which child/children will receive an offer.

Late Applications

Where there are extenuating circumstances for an application being received after the final application date (and is back up with appropriate evidence), and it is before the date in which the Academy have established their list of students to be admitted, then it may be considered alongside others. Otherwise, applicants received after the last date will be considered after all others and, if necessary, placed on the waiting list in order according to the criteria.
