

STATEMENT OF REASONS

Bowerham Road, Lancaster

No Waiting at Any Time

Having considered the consultation responses, it is now proposed to make the following modification to the consulted proposals with the intention of mitigating the concerns raised by residents whilst still maintaining road safety and the free flow of traffic.

The modification proposes to reduce the proposed extent of the No Waiting at Any Time (double yellow lines) along Bowerham Road and introduce a small section of junction protection on Adelphi Street.

The proposal further tidies up and clarifies the descriptions of the No Waiting at Any Time and Limited Waiting Bays that are currently on site to allow for effective enforcement by the councils parking enforcement team.
